

New Lenox Girl Is Injured in Train-Car Crash

A New Lenox girl, 18 year old Geraldine Meer, is in Silver Cross hospital in Joliet with a fractured right leg as a result of a train-auto collision east of Frankfort early Sunday morning. Her companion, and driver of the car, Kenneth A. Rehberg, 23, of Peotone, escaped with minor injuries. He was given an arrest ticket.

Both are lucky to be alive, according to the state police report. Rehberg was traveling in a westerly direction on Sauk trail, about a mile east of Frankfort. The E&E tracks cross the highway at that point.

Rehberg was driving too fast for conditions, according to State Police Officer Muzzarelli. He applied his brakes but not in time. The report says the skid marks up to the point of impact with the train measured 66 feet. The car became caught on the moving train and was dragged 84 feet, the report states, before it was jarred loose.

Miss Meer was taken to Silver Cross hospital where examination revealed that her right leg was broken.

Rehberg was treated at the hospital for face cuts and knee injuries and released.

4-H's From Area Show Cattle at International

Robert Oram, 18, of New Lenox, received an 11th place ribbon for the Aberdeen Angus senior calf "Midnight" that he showed at the International stock show. His sister, Jane, 16, also showed an Angus steer. This is the third time the pair has exhibited cattle at the International. Both are active members and former officers of the Frankfort-New Lenox 4-H club. Robert has been a member for seven years, Jane for six.

Another member of this 4-H club that exhibited at the International this year is Jim Smith, also of New Lenox. Jim had an Angus and a Hereford on display. All the steers shown by the Will county contingent brought good prices.

Linda Matasovic, of Mokena, showed a Hereford heifer.

Lincolnwood Home Owners Will Meet

The regular monthly meeting of the Lincolnwood Hills Homeowners association is to be held next Wednesday night, Dec. 14, at 7:30 o'clock in room 210, Lincoln-Way high school.

There is to be a report from the park committee, and James E. Moore, president of the association, asks members "to please be there to hear the committee's suggestion."

Bridge 4 Tons, Truck 20 -- So Now Marley People Have Long Detour

A tank truck, owned by the Energized Petroleum Corp., at 15900 S. Wood st., Harvey, crashed through the Marley bridge at 9 o'clock p.m. Dec. 1. The truck, loaded with 5025 gals., or more than 40,000 pounds, of Diesel fuel, collapsed the wooden floor of the bridge, throwing it to the creek and causing it to turn upside down, partially blocking the Wabash railroad. Lewis E. Rodman, 31, driver of the truck, of 15002 Perry ave., Harvey, escaped injury. However he was issued an arrest ticket by deputies for driving a truck heavier than the 4-ton limit for which the span was posted.

Rodman, who was headed east on Route 6, claimed he missed the Marley curve and didn't realize he was off the highway and on the wrong road.

Wabash railroad officials were contacted by sheriff's deputies. Trains from the area were held

Mokena Board to Amend Building Permit Ordinance

The Mokena village board has had a new ordinance drafted by its attorney, Raymond Hoolehan, amending the present ordinance governing building permits which fixes the fee on a space basis rather than a dollar valuation.

The permit fee for a frame structure will be figured at 1 1/2 cents a square foot, and two cents a foot for a brick building.

The fee on a 2-story house would be twice what it would be for a one-story home, it was pointed out, but a basement will not add anything to the cost of the fee.

The square feet in an attached garage will be added to the total for the house, it was explained.

Permits for remodeling and detached garages will carry a fee based on the dollar valuation of the improvement, \$1 a thousand, with a minimum of \$5, except when the cost of the improvement runs to less than \$100. When the cost of the improvement is less than \$100 there will be no fee charged.

And speaking of building permits those issued in the past five months show that little construction is going on within the village itself. Persons building outside the village limits get their permits from the county.

The list of permits in the village follows:

Edward Haislet, house and garage, \$170.00; Robert Homering, house, \$10,000; Alfred Hatch, porch, \$200; W.H. Pittman, moving garage, under \$100; Roy Beets, garage, \$800; Mrs. Nick Geuther, remodeling, \$450; Dr. P.T. Demus, remodeling, \$300; Pete Mancke, siding, \$1,000; News-Bulletin, entryway, under \$100; A. Dina, garage, \$1,000 and Richard Muchler, new stairs, under \$100.

The board approved a request of Norval Robinson to rezone lot 9 and part of lots 11 and 12 in Robinson's subdivision on Wolf rd., 100 feet north of LaPorte rd. A gasoline station is to be built there it was stated, and the property is now classified as B-1.

A new ordinance covering the installation of gasoline stations, was adopted. The measure requires that all tanks containing volatile fluids sold at retail shall be buried.

The board has not yet hired a general maintenance man. Applications for the post have been received but have not been acted upon. At the beginning it was believed the village might find a man that would not only serve as a maintenance man for village property but also would serve the community as a policeman. Mayor John Scarth pointed out that such an arrangement would not be practical. A maintenance is what is desired now, it was said.

Man has invented a waxed paper raincoat, to be sold in vending machines, which you wear in a sudden shower, then toss away if you wish.

Yule Decoration Contest Starts at Frankfort

The annual Yule home decoration contest at Frankfort is expected to draw a large field of entries again this year and judges will face a difficult task—as usual—in picking winners.

The judges have not been named yet but the date of the judging has been set—Dec. 23.

This annual event is sponsored by the Frankfort Lions club. Fifty dollars will be awarded in three cash prizes in the home contest. But that is not all. Business firms also have an opportunity to decorate their premises in keeping with the Christmas season and the winner in the mercantile class will be awarded a cup.

This cup, it should be explained is a traveling trophy, and thus can change hands every year.

The householder whose home is judged to be the best decorated will receive \$25 in cash. Fifteen dollars will go to the winner of second place and the third place winner will receive \$10.

It is not necessary to make formal entry in the contest. When the judges go out the night of Dec. 23 they will tour the entire village and consider every home that reflects the holiday spirit in its decorations.

Cold Causes Drain on Gas Supply in Area

Northern Illinois Gas Co. send out records were broken on successive days during last week's cold wave. The previous high of 355,173,100 cubic feet of gas, established last Jan. 27, first was broken Nov. 28 when the maximum use reached 361,000,000 cubic feet, and then again the following day, Nov. 29, as the company's maximum noon to noon send out totaled approximately 369,300,000 cubic feet.

Marvin Chandler, president of Northern Illinois Gas, said it was necessary to augment the company's pipeline supply and other peak shaving operations with about 33,500,000 cubic feet of natural gas from the Herschler underground storage field during the first 24-hour period and approximately 34,500,000 cubic feet the second.

Chandler stated that the chief factor responsible for establishing the new maximum send out records was the connection of nearly 29,000 additional residential space heating customers to the company's system during the past 12 months. The demand for gas for space heating, he said, comes not only from existing homes in the company's territory but from the approximately 35,000 new homes built within the last year.

Reviewing the company's continuing attempts to keep pace with the steadily increasing demand for gas, particularly for space heat, Chandler noted that the daily send out capacity for 1946 was only 90 million cubic feet compared with the new record breaking total. We haven't been idle, he emphasized. As fast as we have been able to increase our ability to supply heating customers, we have released additional authorizations.

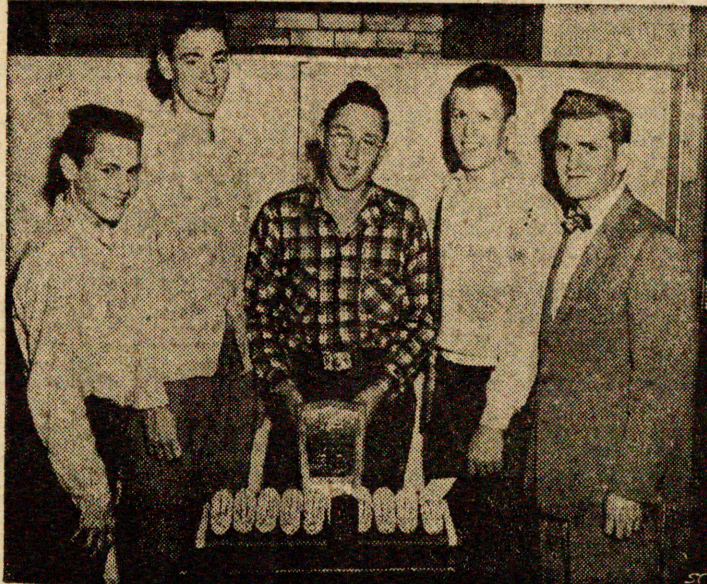

"Our additions to capacity have been absorbed by a rise from 35,000 residential heating customers at the end of 1946 to more than 200,000 connected today, over 125,000 of whom have been added since 1951," Chandler emphasized. "This will increase to 225,000 when outstanding authorizations have been connected—but we'll still have more than 100,000 names on our waiting list."

"The scope of the problem can perhaps be envisioned by stating that when we are able to meet all of the demands for heating by residential customers we must have six or seven times as much gas available on a cold winter day as on a summer day. Construction of pipeline facilities for this purpose, which would be idle most of the year, is not the right answer. The most satisfactory and economical method of obtaining our winter supply is thru some method of storage of gas brought up by pipelines from the southwest in the summer. The Herschler storage field currently is extremely helpful, but we and our pipeline suppliers are also studying all other known methods of arranging such storage."

"Not being able to supply one's customers isn't an enviable position to be in. We'll make every effort and spare no reasonable expenditure to obtain the gas supply our customers need."

The Old Timer remembers when the hero of a novel didn't kiss the heroine until the last chapter. —CHANGING TIMES

Illinois Grand Champion Corn Judging Team

Ability to pick the winners of four 10-ear corn samples paid off for the young men pictured above. They are agriculture students from Carl Sandburg high school and at the recent state corn judging contest held at Lincoln piled up an enormous number of points, 488 out of a possible 500, to carry off the title. They competed against 17 district winners. Pictured above, left to right, are Eddie Siemsen, LeRoy Bornet, Earl Bettenhausen, Darrell Erickson, a Mokena boy, and the instructor, Charles Moore.

Heart Attack Fatal to Mokena Insurance Agent

Funeral services were held Tuesday, Dec. 6, for Joseph J. Wajda, 46, late of 192nd and Wolf rd., Sunny Acres who died suddenly early last Saturday morning of a heart attack.

Born in Chicago, Mr. Wajda had been a resident of Mokena for the past four years. He was a special agent for the Critchell, Miller and Barnum insurance agency of Chicago.

Mr. Wajda served in the army in World War II and was in a number of engagements in the European theater, including the Battle of the Bulge. He was a member of Mokena post of the Amvets.

Funeral services were held at 10:30 o'clock Tuesday morning at St. Mary's church, Mokena, and burial was in the parish cemetery.

Besides his wife, Evelyn, Mr. Wajda is survived by one daughter, Beata, of Mokena, two brothers, Bernard and Chester, of Chicago, and five sisters, Antoinette, Agnes, Sophie and Valentine, also of Chicago and Sister M. Adele who is the superior at the convent of the Sisters of Nazareth at Calumet City.

FHA Addresses Open Letter to Everyone

To Everyone:

"Do you enjoy doing things for people less fortunate than you? If you do, then you will welcome this chance. The Lincoln-Way high school Future Homemakers are gathering clothes and toys to send to an orphanage. The orphanage is called Sunshine House."

"It is a comparatively small, privately owned orphanage in Haiti, West Indies. Some years ago Miss Doris Burke started this home for orphaned children because she felt they needed it. Although she had very little to offer financially she did have the main qualification to become a mother to all these motherless children, love."

"Now altogether there are about 85 children ranging in age from 18 months to 14 years. Even though these children don't have some of the things that you may feel are bare necessities for your own children, they are extremely happy. (Hence the name 'Sunshine House'.)"

"Clothes and toys are needed and will be greatly appreciated by these orphans. So next time you're up in the attic, drag out those big boxes of old toys and clothes your children have outgrown and send them over to the high school. Besides giving a little bit of Christmas joy to a small child you will make yourself feel better because you know you've done something extra to bring joy and happiness into someone else's life."

"All clothes should be clean and free from rips and tears. Toys should be in fairly good condition. Please send only summer clothes because, as you know, Haiti has a warm climate year around."

"P.S. If you don't have time to clean and mend the things, send them anyway and the FHA girls will do this job."

(Signed) FHA of Lincoln-Way

A single plant of the E. I. du Pont de Nemours Co., located at Belle, W. Va., produces from coal every year more than 150,000 tons of fertilizer, or enough to fertilize 4,000,000 acres of land under cultivation.

Death Claims Mable Warning of Frankfort

Mable C. Warning, 58, of Frankfort, died in Silver Cross hospital last Wednesday after a long illness. Mrs. Warning had been ill in her home for several months before being removed to the hospital a few weeks ago.

Born in Orland township, the daughter of the late Mr. and Mrs. John Marti, she moved with her parents to Mokena at nine years of age. Following her marriage with Raymond Warning of Frankfort, the owner of the Gold Star bus lines, in 1918 they established their home in Frankfort where she has lived since. She was a member of the Eastern Star, Royal Neighbors of America and the Women's Society of Christian Service of the Frankfort Methodist church.

Surviving besides her husband, are two sons, Stanley and Glenn, both of Frankfort; three grandchildren; three sisters, Mrs. Emil Cappel, Mokena; Mrs. Elmer Woodcock, New Lenox; Mrs. A. C. Geuther, Frankfort; four brothers, Edward, Mokena; Frank, Harry and Arthur, Frankfort. A son Wendell preceded his mother in death.

The body was removed to the Hirsch chapel in Tinley Park where friends called until the funeral which was held Saturday afternoon in the Frankfort Methodist church. The Rev. Ben F. Day officiated. Burial was in Pleasant Hill cemetery at Frankfort.

VFW Post Will Give Oranges to Children

Oranges are to be distributed among the pupils of the three New Lenox schools, Haven, Oakview and St. Jude's by the Veterans of Foreign Wars Post No. 9545.

At the post meeting last Thursday it was decided to buy 700 king size oranges with the idea of having one for each school child in the village. The oranges will be given out at the schools' Christmas parties.

Mechanization of coal handling operations has been given a new turn with the successful development of equipment to weigh coal on conveyor belts en route from preparation plants to barges.

Get Those Christmas Cards in the Mail Early, Postmasters Implore

Reporting that the "Mail Early for Christmas" campaign is really in high gear, local postmasters are giving some helpful hints on how you can be sure that your Christmas cards will reach everyone on your list before Dec. 25th.

"When you use three-cent stamps on your Christmas cards, you get first-class mail service," they said, "first-class friends deserve first-class mail and the use of first-class postage makes certain that your Christmas cards will be delivered promptly. Also use first-class postage insures forwarding service if the addressee has moved or if the card will be returned to you if the recipient cannot be located. Then, too, on Christmas cards sent by first-class mail, you can include handwritten messages making your greetings more personal."

It is perfectly correct and, in fact, advisable to include your return name and address on each Christmas card envelope. This helps your friends to keep their mailing list up-to-date and insures correction of your list if the card is returned as undeliverable.

Lincoln-Way Band, Choir to Give Annual Christmas Concert

Ice Skating is Stroke Nearer, Says Park Board

At the meeting of the Mokena park board this week steps were taken to complete equipment necessary for the flooding of the ice rink so that the next time a blanket of arctic cold covers the area a skating surface can be prepared.

The Mokena Lions club has had the rink site graded and prepared for flooding. What is needed now is a water connection and cold weather. The park board has arranged with Clyde Yunker to install a hydrant to take care of the water supply. When the connection is finished it will then be up to the weatherman and the Lions for the rest of it. The Lions will take care of the flooding operation.

Clarence Lauffer was named chairman of a committee comprised of Harley Mann, Raymond Hoolehan, Charles Swanberg and T. Arthur Shoop to mark off parking places in the rink area and also to arrange for the location of oil drums which will be used to hold warming fires.

Charles Burkhardt, Jr., is now engaged in making wooden signs to be posted on park property as a warning against vandalism. According to the signs a \$25 reward will be paid for information leading to the arrest and conviction of any person or persons destroying or damaging park property.

Park visitors who may notice that picnic tables are tilted against trees are not to construe the situation as a hold over from Halloween or covered by the signs now being made. The tables are tilted so that most of the snow, sleet or rain will roll off.

The Mokena park board is now a member of the National Recreation association. Membership in this organization costs but \$10 a year and in return the board will receive a magazine and other publications devoted to recreational problems. The national body has a field staff which is available to local boards when needed, and membership also insures the holder of discounts on recreational equipment, it was said.

One of the prime objectives of the park board is to build up a strong recreational program for the community.

Mr. Swanberg gave a brief talk in which he expressed the thanks of the board and the community for the service given by the board members whose terms end this year. Mr. Mann, Henry Clark, Mrs. T. Arthur Shoop and Gerritt Swart. The new members of the board will take office at the next meeting, Jan. 2, at which time officers will be elected and committees chosen.

Present at this week's meeting of the board were Mr. Swanberg, Warren Manker, Mrs. Hug Niethammer, Mr. and Mrs. Shoop, Mr. Hoolehan, Mr. Clark, Mrs. George H. Bills, Mr. Lauffer and Mr. Mann.

Lauffer was re-elected to the board. The other new member will be Wesley Cappel. Harry See, George Carlisle and Charles Burkhardt, Jr.

Charles E. Hirsch, Native of Mokena, Succumbs at 96

Charles E. Hirsch, 96, a native of Mokena died Friday in St. James hospital, Chicago Heights, where he had been confined for the past 10 years.

He was born in Mokena April 24, 1859, the son of Carl and Philline Hirsch. The latter were among the early settlers in Mokena, coming here from Germany. Their farm was located on Wolf road and is now part of Sunny Acres subdivision. He worked on the farm with his parents for a number of years and then went to Chicago and worked in the stock yards. When his late brother, Julius, married and they settled in Chicago, Charles lived with them and both men worked in the stock yards for a number of years, coming back to the home farm and working jointly.

Mr. Hirsch was the last of a family of three, the late William Semmler, publisher and editor of the News-Bulletin, and James V. Hall, who were instrumental in having Wolf road changed from gravel and mud to concrete as it is today.

Mr. Hirsch never married and is survived by nieces and nephews. Carl and Edwin Hirsch, of the West End Funeral home, Chicago Heights; Mrs. Mabel Mall, Mrs. Julia Martie, Mokena, and Frank Hirsch, Chicago.

Funeral services were held in the West End funeral chapel Sunday afternoon with the Rev. William Riemann officiating. Burial was made in the family lot in St. John cemetery, Mokena.

Study Request to Rezone Lot For Bowling Alley

The request of Joseph Maier to rezone lot 171 in Bartlett's subdivision in Sunny Acres from R-1 to B-3 has been taken under advisement by the Will County zoning board following a hearing last Thursday evening at the Cooper & Hostert garage in Mokena.

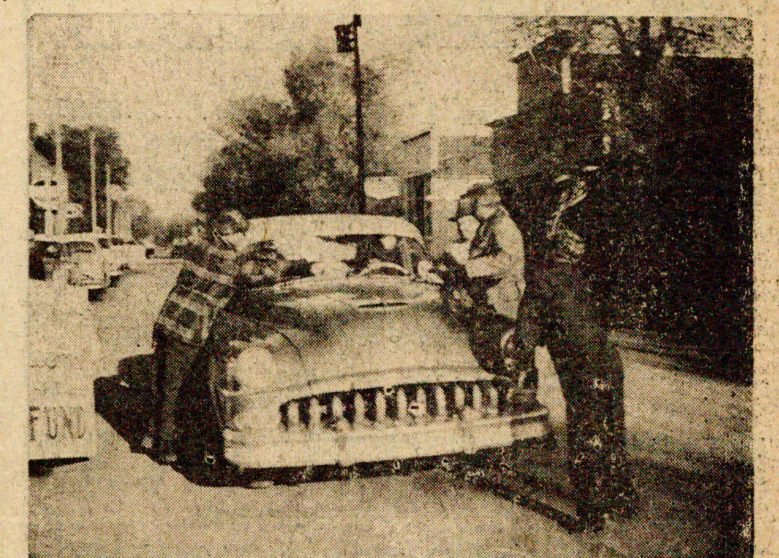

Indications were that the petition would be denied in view of the fact that deeds to homesites in Sunny Acres carry a provision that the property is not to be used for commercial purposes, observers said.

The Sunny Acres Home Owners association is opposed to the rezoning. The petitioner had stated that he wished the property rezoned to permit the operation of a restaurant and bowling alley.

At a hearing in the Green Garden town hall the petition of Everett W. Heatherwick for rezoning of three acres on the east side of Rt. 45, a few rods north of the Manhattan-Monee road, from F to B-1 was allowed. Heatherwick intends to operate a garage and farm implement business.

The board also allowed the petition of Stella Dudek to reclassify farm land to B-1 in Homer township so she could operate a gift shop. She asked for the rezoning of 60 acres on the north side of Ill. Rt. 7, half a mile west of the intersection of Rt. 7 and the town hall road. The zoning board rezoned but half an acre.

New Line for Lions

Windshield washing is a new line for most of the Mokena Lions but they found it an easy way to make money for their Christmas basket fund. These baskets will be distributed to persons in need. While windshield washing requires a bit of exertion the capital expenditure necessary for setting up the business as well as operating expense come to 0-0-0 decimal 0-0. Those who see at a glance that this can be a profitable undertaking one can find the customers. And the Lions were good finders. The project is reported to have netted approximately \$220.

ORLAND PARK

Mrs. Sherman Knox
Orland Park 211W

The Orland Park Parent Teacher Association will sponsor a roller skating party Friday, December 9, 1955, at 7:30 p.m. in the Orland school gymnasium.

The party will be limited to elementary school students and their parents and will be chaperoned by PTA members. A skate rental charge will be made.

The Christmas gift sale and smorgasbord supper, sponsored by the WSCS of the Orland Park Methodist church last

Traces Public Library System in North America Back to Year 1621

The first library in North America was founded in 1621—an anonymous gift to the college at Henrico, Va., for the education of the natives. It was destroyed a year later in an Indian raid.

The Colonies boasted many private libraries, the most noted of which were those of William Webster, Gov. Winthrop, Cotton Mather, Ralph Workeley and John Harvard bequeathed his collection to Harvard university in 1638. In 1700 a library was established at Yale in 1756 at Kings College, now Columbia University.

Boston took the lead in establishing public libraries, its first being set up in Town House in 1653, under the will of one Capt. Keane.

In 1700 New York City received a small library from John Sharp, which with added gifts was housed in City Hall and in 1754 was merged with New York Society Library.

Public libraries set up for research purposes and the dissemination of knowledge have existed since the most remote days of history. As the result of excavation in ancient cities and villages there is concrete evidence that the written word dates as far back as 4000 BC.

In Chaldean accounts of the Deluge, Sumerus is said to have been ordered to bury a vast library of books or "tablets" (clay plates with characters) at Sippara. There is doubt as to whether the tablets ever were unearthed but it is an undoubted fact that a library did exist at that very early date.

In 1891 an excavation at Sippara on the site of one of the temples, revealed a total of 60,000 tablets in fine order that carried records of business transactions and religious accounts of the Deluge. The libraries open to the public and the vast number of books as well as their diversity and the number of readers, indicate that the literary culture of the country was large. History shows the library development stems from the literate culture of the times and is an indication of the peoples thirst for knowledge.

Open To Public
Even in those ancient days libraries were public, as is indicated by an inscription recovered at Nineveh which read—"I wrote it upon tablets and placed them in my palace for the instruction of my people."

Of the known libraries of the day, that of Nineveh (circa 700 BC) the most famous. There were 20,000 volumes (tablets) devoted to agriculture, irrigation, law, astrology, history, and medicine. The pages "tablets" were numbered in a style similar to present day booklets and had pendant tabs that carried the title and first line of each "tablet."

Discovered in diggings at Kish were vast numbers of dictionaries, grammars, commentaries etc., all from the college that is said to have existed about 2,000 BC.

Pen Supplants Stylus
In ancient Egypt libraries were generally attached to the temples. The most famous of the Egyptian libraries was that of Ramesses II (1300-1236 BC), who called his collection "Medicine of the Soul."

The Hebrews at an early date abandoned use of the clay tablet, a form of writing they inherited from their Babylonian ancestors, and adopted the Egyptian papyrus, pen and ink.

Each of the synagogues had a small library which was open to the public. The temple at Jerusalem had a library of the Books of Laws and other sacred writings.

Next week Greek and Roman libraries and development leading up to our present admirable public library system. Persons with any suggestions or ideas that will help speed the establishment in Tinley Park of its community library, are asked to send them to Tinley Park Community Library, Box 282, Tinley Park.

Words Often Are Deceiving

by Theodore R. McKeldin
Governor of Maryland
(Paulist Feature Service)

Words often exercise an illegitimate power, a tyranny, over us. This is because words can never be held to their legitimate dictionary meaning. Always we attach extra connotations to them and these connotations often reverse what Noah Webster says.

Take the phrase, "separation of church and State." In its legitimate dictionary meaning that phrase is completely neutral. It implies no sort of emotional attitude on the part of either church or state toward the other. It describes a status and nothing more. It is as devoid of moral significance as the existence of the Potomac river separating Maryland and Virginia.

But an astonishing number of people are not content to leave it at that. They insist on reading it as "antagonism of church and state," and will not allow that a man can accept the doctrine without taking sides and becoming an antagonist of one or the other.

Against that particular tyranny of words I am in open rebellion. For Church and State are not antagonists and cannot be made so without perversion of the fundamental tenets both of religion and of Americanism.

Separation of Church and State is the great bulwark of the rights of minorities, and every religious communion in this country is a minority. All of them taken together constitute a bare majority of the whole population, and any one, taken separately, is heavily outnumbered. Hence any interference by the State in behalf of one would work injustice on a larger number than it benefited. The State is forbidden to interfere because its interference would operate to the detriment of religion.

Too often, when we read the First Amendment to the Constitution we proceed as far as, "Congress shall make no law respecting an establishment of religion," and stop there. We ignore the immense significance of the next words, "or prohibiting the free exercise thereof." Yet the second phrase is as binding as the first, and as truly expressive of the attitude of the framers of the Constitution toward religion.

They believed that the free exercise of religion is an essential part of liberty. It is the tyranny of words that has betrayed many of us into accepting the error that the separation of Church and State implies an element of hostility to religion in the essential American doctrine.

However, this error is not common among those who have had much practical experience in administering government. Speaking as a public official, I can say that I should face a more less task if our people's respect for the laws of God did not reinforce their respect for the laws of the state.

It takes 65,000 gallons of water to produce a ton of finished steel. 5,000 gallons to grow a bushel of corn. Don't waste it, drip!

My Neighbor
Lesson for December 11, 1955

TWO cart-drivers in China were trying to get up a muddy hill. Each driver's cart was stuck in the mud, almost side by side. Each man was beating his own scrawny horse, but the wheels were stuck fast. Along came an American. "Why don't you unhitch one horse," he said "and hitch him to the other cart? Then the two horses might get the cart out of the mud."

The carters were astonished. They had never thought of that. But they did as the stranger said, and sure enough they both got to the top of the hill. That true story, told by a missionary, shows two things at once. One is that in countries where Christianity has had a chance to get around, some simple Christian ideas get taken for granted, such as helping your neighbor when he is in trouble. The other is that where Christianity is unknown, even so simple a thing as getting together to pull out of the mud, comes as a strange new idea.

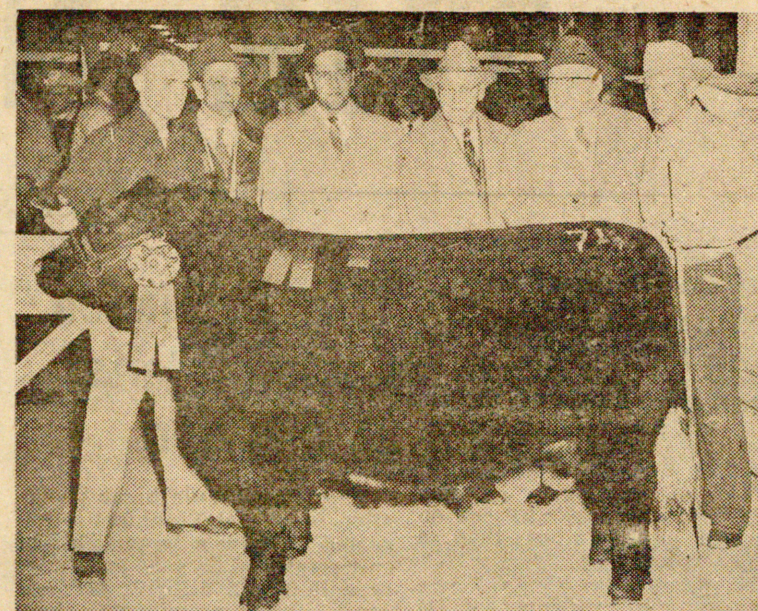

Who Is My Neighbor?
Now if those two Chinese carters had been father and son, or brother and brother, they might have thought of helping each other, for in China nothing is too good for members of your family. But we have no great right to make fun of the Chinese. All of us are inclined to draw pretty hard lines and to think, "Outside those lines I have no neighbors. Inside the lines, yes, we understand pretty well what neighborliness is. 'Love thy neighbor as thyself' is a commandment not too hard to understand, for we know what it is to love ourselves, that comes all too naturally. We like to get ahead, to cushion ourselves from danger and if possible from discomfort, we consult our own interests. Loving one's neighbor as oneself just means looking out for him in the same careful ways, thinking ahead for him, promoting him. We understand what neighborliness is, yes. We do not confuse it with being meddlesome. If you want to know as much about your neighbor as you do about yourself, you aren't being a neighbor but a nuisance. If you do for your neighbor what he can very well do for himself, then you are not treating him like a neighbor.

Neighbors Out of Sight
Jesus' famous parable of the Good Samaritan shows that having neighbors is easy, in fact you can't help it; but that the important thing is being a neighbor. It means more than living in "peaceful co-existence" and not bothering each other. It means active co-operation and help, of those who need help. Whenever there is a person in trouble whom we can help, there is a neighbor. In our time the world has grown closer together than it was in Jesus' time. If there had been a famine in India, the good Samaritan would never have known it, or if he had, he could have done nothing about it. Now if there is a famine in India we hear about it as soon as the Indians can; and we can do something about it too. When farmers in a church in Iowa, for instance, send a heifer to a farmer in some out-of-the-way or devastated part of the world across a wide ocean, that is being a neighbor, modern-style for a modern world.

What We Haven't Figured Out
There are many problems we haven't worked out yet, in this business for acting as good neighbors. For example: What is the wisest way to be neighbor to people of different race from our own? How can a mill-worker be a neighbor to the stockholders, or how can the stockholders be neighborly to the workers? When a corporation, in the process of expansion, throws 500 persons out of work at one time, is there any way in which those who are employed by the corporation can be neighbors to those who have lost their positions? How can we be neighbors to people who resent us? How far can we go in helping people without turning them into "moochers" and beggars? How can Christians in one denomination be neighbors to those in another? And one more question: Is it possible for non-Christians to be as good neighbors, in Jesus' sense of the word, as Christians can be?

(Based on outlines copyrighted by the Division of Christian Education, National Council of the Churches of Christ in the U. S. A. Released by Community Press Service.)

Champion In Eastern Show

John Scott McWhinney, Orion, III, is pictured above with his Shorthorn grand champion steer of the Eastern National Livestock Show at Timonium, Md. The steer, named Red Royal, sold for \$1.98 per pound to bring a total of \$2,227.40. The 16-year-old 4-H boy said he bought the Shorthorn calf about a year ago from W. C. Anderson, West Liberty, Ia., for \$125. He spent about \$175 more to feed the Shorthorn and he got a profit of \$1,927.40. This was the second time in as many years that an Anderson steer won the grand championship at this largest eastern show.

Director

Director of the department of farm bureau family activities for the IAA, statewide farm bureau organization, is Mrs. Florence Thomas. Aim of this IAA department is to increase activities of all members of the farm family in the farm bureau organization.

During Operation DEEPFREEZE, the Navy's newest Arctic Expedition; Navy planes will take off and land at the South Pole.

Scientists estimate that Antarctica was tropical 350,000,000 years ago.

About one-fifth of public high school systems in the U. S. provide programs for driver education.

This year millions of Americans of all faiths will join in daily Bible reading from Thanksgiving to Christmas in the twelfth annual observance of Worldwide Bible Reading, sponsored by the American Bible Society.

The program, which began when a U. S. marine on Guadalcanal wrote his mother asking that the family join him in reading the same passages of Scripture each day, has spread in scope to the peoples of more than forty nations.

The readings are without note or comment, and one may use whatever version of the Bible he prefers.

Below are the readings for each day, in the theme of personal faith as selected by numerous people from many denominations.

Bremen High School Notes

The Academians, Bremen high debate club, will debate Friday, December 9, at 4 p. m. against Evergreen Park and Blue Island at Evergreen Park high.

The teams will consist of Matt Stupak and Don Stout, affirmative, and Tom Price and Jack Heil, negative. Joan Rybicki and Larry Rosenquist, affirmative, and Gayle Graham and Pat Rea, negative.

Federal subsidies to college students will be the topic.

Members of the Bremen high sophomore, junior, and senior classes recently elected officers for the 1955-56 school year.

Leading the sophomores will be Gary DuBois, president; Janet Carlson, vice president; Alice Albright, secretary; and Bob Hamner, treasurer.

At the helm for the junior

class is Jerry Lewis, who served as sophomore president last year. Jerry will have as his assistants: Carol Bieber, vice president; Suzanne Hupe, secretary; and Allison Hires, treasurer.

Seniors elected include: Mayne Designa, president; Jack Zickler, vice; Alice Ekstrom, secretary; and Loreen Smith, treasurer.

Representatives of the freshman class will be chosen at the beginning of the second semester when the new students have had sufficient opportunity to get acquainted according to T. R. Birkhead, superintendent.

HONEY BEES MEET

At the meeting of the Frankfort Honey Bees 4H club held Dec. 2 in the home of Mrs. Irving Rudman, Yvonne Piepenbrink and Carol Larson demonstrated the making of cream puffs, which were later served as refreshments. Mrs. W. V. Hedges showed the group how to make angels.

Each member received \$1.50 as their achievement money.

The next meeting will be Dec. 16 when there will be a 10¢ gift exchange. Dorothy Kluth became a member. Dec. 29 will be the party meeting with Ann Cumminga, Dorothy and Beverly Kluth, Rosemary Rite and Wanda and Joyce Martin as hostesses.

More than 1.3 million farms or nearly a quarter of the total number in our country, are under 30 acres. More than 300,000 have an area of 500 acres or more.

THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

Tinley Woman's Club Will Hold Christmas Buffet Luncheon

Christmas buffet luncheon
Date: Wednesday, Dec. 21
Place: Tinley Park school
Time: 1 o'clock

Festive decorations, an interesting musical program and door prizes are part of the party day. Reservations should be made before Dec. 12th with Mrs. D. W. Gruber, 17849 67th court.

On Monday afternoon, December 19th, Mrs. Richard Freund, mental health chairman, and several members will distribute the Christmas gifts they have for patients in the women's ward at Mankato state hospital. The chapels for service men at the radar centers in the

southwest area will soon be brightened by new draperies, due to the combined efforts of Mrs. Voris Miller, Mrs. Lewis Shawver, Mrs. Elmer Knudsen, Mrs. Melvin Rensink and Mrs. Irwin Johnson who are working in conjunction with the 3rd district IFWC on this project.

At the November meeting Mrs. Miller appointed Mrs. Edwin Hug to be the new American home chairman.

Mrs. Miller attended the evening meeting of the Forest Woman's club on Wednesday and the third district board meeting in Chicago on Friday.

Helen Rueckert Of Mokena to Wed Man From Virden

Mr. and Mrs. Dean Rueckert of Mokena are announcing the engagement of their daughter Helen to Stephen Foster son of Mr. and Mrs. Andrew Foster of Virden, Ill. Plans are being made for an early spring wedding.

Miss Rueckert is a student at the Blackburn college and Mr. Foster attended the Illinois university. He is now engaged in farming with his father at Virden.

Lyman C. Teague To Marry Dec. 17

Mr. and Mrs. A. W. Bedford of Tinley Park announce the approaching marriage of their daughter Beryl to Lyman C. Teague, son of Mr. and Mrs. Lyman F. Teague of Mokena.

The wedding will take place Saturday evening, Dec. 17 in the Mokena Methodist church at 7 o'clock. The Rev. Dale Kleinschmidt will officiate. A reception will follow the ceremony in the church dining room. Although invitations have been issued all friends and relatives are invited to the wedding and reception.

Though the number of U. S. farms and farm workers has declined, the output of agriculture has increased enormously in the last 40 years, due largely to technological gains and mechanization.

The Lincoln Log

Attend International

The Lincoln-Way chapter of FFA attended the International Livestock Show November 30. Forty-two FFA members made the trip. Part of the group went by school bus, leaving at 8:30 a. m. and returning at 3:30 p. m. Part of the group rode in cars with dads driving so that they might stay later and attend the Society Horse Show. Dads driving cars were Mr. Francis, Mr. Knieriem and Mr. Kovar. Mr. Van Rheaden, ag instructor, accompanied the bus.

One of the major exhibits was a display of new drugs that have been developed and are being used in the treatment and prevention of livestock disease and the control of parasites. Antibiotics really stole the show with penicillin, aureomycin and streptomycin leading the parade.

Many feed companies had exhibits of new feeds and feeders. One company displayed a new baby pig feeder. It was a large tank with a row of nipples, a around the bottom for feeding artificial sows milk.

The main feature of the show was the many hundreds of head of outstanding livestock. The best beef cattle, sheep and hogs in the world were all here under this one large roof covering about ten acres of floor space.

King's Row was a major attraction. "Julius", the Grand Champion Steer of the show, was on display along with the champion hogs and sheep. Julius sold for a record \$15,000 a pound which netted the owner almost \$15,000.

The Society Horse show was especially interesting for those who are lovers of horses. There were several classes of fancy horses shown. There were some demonstrations of western cowboys cutting steers out of a herd. A trained sheep dog demonstrated some of the techniques of handling sheep.

Another year and another outstanding exhibit. This year's International Livestock show topped all previous records in entries and attendance. It is a royal treat for anyone interested in livestock to spend a day at this show.

Bremen Home Unit Will Install New Staff in January

The Bremen Home Bureau held its meeting Nov. 28 at the home of Mrs. Nick Anast with Mrs. Leroy Bauman as co-hostess. The new unit officers who will be installed in January are: Dorothy Freund, chairman; Maren Carpenter, secretary; treasurer, and Ruth Smith, vice chairman.

December 12 is the date set for the Christmas party which will be held at the home of Mrs. Ruth Smith, 6602 W. 173rd pl. A lesson on cookie decoration will be given by Maren Carpenter.

At the close of the meeting, local leaders Betty Hult and Juanita Sterkowitz gave a lesson on dressing for the occasion. Models for the affair were Mesdames Splawski, Rizuti and Sterkowitz.

Guests were Mrs. Dorothy Meyer and Mrs. B. J. Parfili. The last regular meeting of 1955 will be held Dec. 27 at the home of Mrs. Richard Freund with Mrs. John Carpenter as co-hostess.

Coming Events

Every Saturday—Children's movie matinee, 1:30 to 4 p.m. St. George school hall, 176th and Garden Sts., Tinley Park.

"Song of India" with Sabu the Elephant Boy." Rabbit Hunt cartoon and 4th chapter of serial.

Thurs. Dec. 8—Spaghetti dinner, Methodist church, Tinley Park 5 to 8 p.m. by MYF.

Sat., Dec. 10—Card party, 8:30 p. m. VFW hall, Mokena by Auxiliary to Wm. Martin Post.

Good demand and slightly lower supplies will probably mean that you'll have to pay a little more for your 1955 holiday turkey, says a University of Illinois poultry marketing specialist.

Warm water for your dairy cows this winter will cut feed bills and increase production.

Irma Breymeyer, Arthur Hurley Exchange Vows

Miss Irma Breymeyer, daughter of Mr. and Mrs. Fred Breymeyer of Frankfort, became the bride of Arthur Hurley last Thursday night at a ceremony in St. Peter's church, with the Rev. Erich Bizer officiating. The bridegroom is the son of Gilbert and the late Mrs. Carrie Hurley of Mokena.

John Hurley, a brother of the groom, and Miss Betty Breymeyer, a sister of the bride, were the attendants.

The couple is on a motor trip to Florida and on their return will reside at 11 Nicholson st., Joliet.

Tinley Legion Auxiliary Plans Yuletide Program

On Friday, Dec. 9th, at 8 p.m. in the Legion Hall, the Tinley Park American Legion auxiliary will hold its annual Christmas party. The auxiliary is still short a few members to meet its quota, 1956 dues will be gladly received by Maude James membership chairman.

The unit will be serving its annual oyster supper at Orland Convalescent center on Dec. 24. This is the unit's 24th year to serve the center on Christmas eve. Creta Keuch, is the chairman.

Six members surprised Grandma Brandau on her birthday Nov. 28.

The unit is grateful to all the schools who collected candy bars for the veterans. The candy will be distributed at Downey, Orland, Oak Forest and Sherman Cottage at Normal, Ill.

Brownie troop 333 made favors for the veterans at Orland. The next event coming up is the "Gift for Yank" program.

Sunset Review Chooses Officers For Coming Year

Woman's Benefit Association Sunset Review 160 held their first meeting of December recently in the American Legion hall, Tinley Park. All plans for Christmas party on Dec. 15 were completed. New officers are:

Ruth Bacon, pres.; Mildred Sayre, past president; Selma Laue, vice president; Alfreda Willman, recording secretary; Helen Johnston, treasurer; Thelma Day chaplain; Irene Larson, lady of ceremonies; Wileen Vallone, sgt.

Lee Jankauskas, inner hostess; Alfreda Willman, outer hostess; Dora Olsen, Miss WVA; Margaret Rauch, Miss WVA; Hilda Johnson, officer of the day; Rose Wiabel, capt. ritualistic guard and Lois Scheussler, Irene Bauer, Corrine Mackey, Marge Janzon, color bearers.

Refreshments were served by the December hostesses: Selma Laue, Irene Larson and Midge Rauch.

Seek Helpers

Dwight H. Green, former governor of Illinois (left) newly elected president of the United Cerebral Palsy association of Chicago and John G. Sevik, president of the Burton-Dixie Corporation, 1955 finance campaign chairman for the association.

The 1956 fund campaign with a goal of \$125,000 to further the work of the United Cerebral Palsy Association will be held in May, 1956 and volunteers for preliminary as well as actual campaign work are being sought now. Those wishing to volunteer their services are asked to call Franklin D-2489.

Ketosis in dairy cattle may cause up to \$10,000,000 loss in the United States some years. About half the loss is in the form of reduced milk production; the other half is in death losses.

WSCS MEETINGS

The Woman's Society of Christian Service have scheduled the following circle meetings for December:

Dorcas circle will meet Dec. 14 at noon for potluck luncheon at the home of Mrs. Arthur Brandau.

The Miriam, Ruth and Martha circles have meetings planned for Dec. 13 in the evening at the following homes: Mrs. Glenn Ames; Mrs. Wilmer Balzhiser and Mrs. Harold Brown.

On Dec. 14 at noon, Ruth circle is sponsoring a barbecue beef luncheon at the Methodist church.

The Esther circle will conduct a bake sale at Vogt's store the morning of Dec. 10.

Extra care should be provided for calves born during fall and early winter months.

The Museum of Science and Industry, Dec. 3, where they saw the Pageant of Christmas Around the World, showing the German Christmas customs. All report having had a wonderful time. Mrs. Allen Pearson and Mrs. Wm. Watson also accompanied the girls.

Mrs. Ernest Beaman and daughters have just returned from Russell, Kansas where they attended the funeral of her brother, Peter Brumgardt, who recently passed away suddenly. Prior to her trip, Mrs. Beaman's nephew and wife, Mr. and Mrs. Frank Glass spent the week end at the Beaman home. They made the trip by plane from Seattle, Wash., and enroute home stopped at Portland, Oregon.

The Zion Lutheran choir will present their Christmas cantata Sunday evening, Dec. 18, at the Zion Lutheran church, 17100 S. 69th Ave., starting at 8 o'clock. The public is cordially invited to hear "The Song of the Angels."

Henry F. LaBree, son of Mr. and Mrs. Henry R. LaBree of 173rd and Cicero Ave., Tinley Park, is scheduled to graduate from recruit training Dec. 10 at the Naval Training center, Great Lakes.

Susan, daughter of Geo. E. Choe of Ravinia Ave., has returned to school after being ill with pneumonia.

Lester Becue, 159th and Oak Park ave., a student at the Concordia Teachers college, River Forest, is a member of the cantata chorus composed of 175 students which will present "The Christmas Oratorio" by Bach at the college Dec. 11 at 8 p.m.

Mr. and Mrs. George Blasco, 166th street, Tinley Park are new residents to this area. A new addition to their family, a baby girl was born Dec. 5. She has been named JerriAnn. A brother, Tommy, age 4 completes the family.

Claudia Zwyac celebrated her tenth birthday recently with a dinner party for 12 guests. Claudia entertained her friends with several dancing numbers. A special favorite with the girls was a fast tap number.

Mr. and Mrs. Lloyd Reese, former residents of Tinley Park, are becoming acquainted in their new place of residence, 2732 North Incas Place, Tucson, Ariz.

Mr. and Mrs. Harold Zobeac entertained the Rev. James Odom family Sunday afternoon. The Tinley Park Garden club will meet Dec. 15 at 1:30 p. m. with Mrs. John Swisher. This is planned as their Christmas party and exchange of gifts.

Recent dinner guests of the Fred Breithart family were her parents, Mr. and Mrs. Ben Breithart.

Mr. and Mrs. Ronald Milles, 6654 Riverside Drive, announce the birth of Elizabeth Victoria, born Nov. 10. The Milles have another daughter, Cynthia.

The new baby boy, born to Mr. and Mrs. Raymond Jensen, Nov. 30 in Englewood hospital and weighing seven pounds, 1 1/2 ounces has been named Glenn Frederick. At home to welcome mother and the new baby Monday were, Carl 3 and Susan, 1. December 2 marked the arrival of John Edward, infant son of Mr. and Mrs. John Edward Terrell, born in Hazelcrest hospital and weighing nine pounds, 7 1/2 ounces. He was welcomed home Wednesday by his brother 2 years old.

MOKENA

Mokena 3521-4151

The St. John's Friendly circle will meet this evening, Dec. 8 at 8:00 o'clock in the church parlors. There will be a Christmas gift exchange. Donna Kreis and Evelyn Benson will be in charge of devotions. Hostesses will be Margaret Jacobson, Lillian Egnes and Helen White.

The five weeks old daughter of Mr. and Mrs. Wallace Yunker was baptized during Sunday morning services in the Immanuel Lutheran church by the Rev. A. W. Gode. The name given was Laura Kay. Sponsors were Mr. and Mrs. Melvin Moutrey. Dinner was served in the Yunker home following the services. Guests beside the sponsors were the baby's grandparents, Mr. and Mrs. Walter Yunker and son of

Orland Park and Mrs. Gilbert Hurley and son Randy.

Miss Emma Stellwagon was removed to Silver Cross hospital last Friday for medical treatment.

Friends gathered in the home of Mr. and Mrs. Albert Lorenz in Frankfort Saturday to celebrate his birthday. Present were Mr. and Mrs. Joe Alexander, Mr. and Mrs. Bill Tuttle, Mr. and Mrs. Everett Creer, Mr. and Mrs. Richard Lorenz and their families, all of Mokena; also Mr. and Mrs. Norman Yunker and family Peotone, and Miss Inez Reiter of Joliet. A potluck dinner was served and cards were enjoyed after the dinner.

The Women's guild of St. John Ev. church will meet Dec. 15 at 2 p.m. Mrs. Floyd Williams will conduct the devotions; Mrs. Adolph Steen will present the lesson on, "O Come All Ye Faithful to Bethlehem." Hostesses will be Mrs. Peter Mancke,

assisted by the Mesdames Herbert Bettenhausen, Tinley Park; Gordon Bruce, Harley Gillette, Fred Lehmann, Harry Mall, Clarence Mast Ernest Munson, Fred Steinhagen and Stanley Yunker.

Mr. and Mrs. Thomas Staley of Joliet were dinner guests of Mr. and Mrs. Willard Barenz Sunday. Other guests in the evening at a buffet supper were Miss Doris Cummons and Jack Medema.

The Ed Carroll family who recently sold their home on 191st St. are moving to Chicago Saturday.

Word has been received by Mokena friends from a former resident, the George Polzin family, that their little son, Allen, 11, who has been ill with leukemia, is taken to the hospital near their home at Bern, N. C., for blood transfusion each day. Last summer he was brought to a Chicago hospital for treatment and it was thought at that time he had overcome the disease. His mother also stated he is wearing a brace on his leg.

Mrs. LeRoy Hartline, Miss Joan Teague and Mrs. Paul Stolberg, the latter of Bellwood, entertained in the former's home Sunday afternoon at a surprise bridal shower, honoring Miss Beryl Bedford and her approaching marriage with Lyman F. Teague. The home was decorated in pink and white with a canopy under which was an umbrella with white streamers where the honored guest was seated. The afternoon was spent socially, guests being relatives. Refreshments were served buffet style. Miss Bedford received many nice gifts. The wedding will take place in the Mokena Methodist church Saturday, Dec. 17.

The Auxiliary to the Wm. Martin post VFW met in the VFW hall Dec. 1, at which time Mrs. Josephine Benson, Community Service chairman reported that eight American flags had been presented to the Mokena public school. She also stated Christmas boxes and candy had been sent to seven servicemen from this area. Mrs. Mathilda Stankus was elected to fill out the unexpired term of two years as trustee made vacant when Adeline Schneider moved from the area. Mrs. Gordon Doctor was named chairman for the Christmas party. She will be assisted by Mrs. P. Larson, Mrs. Dorothy Bereniger, Mrs. Lucille Long, Mrs. Stankus and Mrs. Amanda Schult. An invitation was received from Mrs. Marie Batel, past department president retired, to visit her at any time at her new home at 2044 Cones Way, Sacramento 21, Calif. Mrs. Batel served as installing officer for the Mokena group for many years.

Mr. and Mrs. Truman Wright and sons, Brian and Forest of Overland Park, Kans., spent the week end with his parents, Mr. and Mrs. John C. Hubler, 11400 W. Wolf road. Because the Wrights are leaving for Mexico, their family Christmas was observed last Saturday.

Tuberculosis Has No Age Limit

The sale of Christmas seals, which is now in progress, is intended to provide the funds to press the war against tuberculosis. Although there are fewer deaths from TB today, the disease is still too prevalent. In many areas more cases were reported this past year than the year previous. New drugs and surgery have prevented many deaths and extensive x-ray programs are finding more cases and finding them earlier, but there is still great need for more research and rehabilitation and health education programs. The money for such things is forthcoming thru the sale of Christmas seals. The big question on the seal can be answered only by YOU—have YOU sent in your money yet for the seals that came to you thru the mail? If you haven't there's no time like right now to put your contribution in an envelope and mail it in.

National Tea Votes Extra Cash Dividend

H. V. McNamara, president, National Tea Co., reported that in view of increasing earnings for the year to date, plus anticipated continued favorable earnings for the balance of this year, the board of directors, at a regular meeting Monday, Nov. 28, voted an extra 40 cent cash dividend payable Jan. 17, 1956, on all common shares of the company to shareholders on record as of Jan. 6, 1956.

This extra dividend has been declared in addition to the regular quarterly dividend of 40c record as of Nov. 18th. This payable Dec. 1 to all shares on 1955 earnings to \$2.00 per share. Total dividends paid on the \$5 par common shares outstanding. The net profit of National Tea Co. for the 40 weeks ended Oct. 8, 1955, amounted to \$5,239,938, after provision for federal income taxes of \$5,350,000. This was an increase in net profit after taxes of \$729,714, or 17.81 per cent over the same period of 1954.

Costs Hotel Man Money When Sun Doesn't Shine

Failure of the Florida sun to shine in Sarasota five days in the past three months has cost hotel owner C. V. Griffin \$3,314.

516 guests from 28 states received free rooms at the New Sarasota Terrace Hotel.

Griffin had made this offer to guests any day the sun failed to shine.

He blamed three females—the hurricanes Hilda, Ione and Janet for his first losses, but has had no excuses for the last two months.

"I'll continue to pay off until my offer runs out December 31, but I'm going to think a long time as to whether I will make the same wager again," Griffin said.

And he complains that the weather forecasts for lots of rain in December offer little to cheer him up for the last four weeks of his "sleep for free" gamble.

ence Club of America, administered by Science Service. The purpose of the search is to discover and foster the education of boys and girls with skill, talent, and creative originality in science.

Finals at Westinghouse

Forty boys and girls who lead in the preliminary examinations will be given all-expenses-paid trips to Washington to attend the science talent institute for five days early next spring and take the final examinations for the scholarships. One contestant will be selected by a board of judges to receive a Westinghouse grand science scholarship of \$2,800 (\$700 per year for four years). One other contestant will receive a Westinghouse grand science scholarship of \$2,000 (\$500 per year for four years). Eight more contestants will receive Westinghouse Scholarships of \$400 (\$100 per year for four years), and \$3,000 additional in scholarships will be awarded.

As part of the preliminary examinations, each contestant must submit a report of about 1,000 words on the subject "My Scientific Project." Members of the group are writing reports on such topics as water purification, and accelerated particles and electrophoresis.

The high scores from the national science talent search will be sent back to Illinois and the state scholarship committee will select the state winners. The winners are announced at the annual spring banquet of the Illinois Junior Academy of Science.

North Dakota's deposits of lignite—brown coal—are the largest in the world and in 1954 lignite was used as fuel to produce 99 per cent of the State's electric power. North Dakota lignite reserves are around 350,000,000,000 tons.

Freeman Coal Mining Corp.'s Orient No. 3 Mine at Waltonville, Ill., boasts the highest belt lift in the world, which carries coal to a height as high as the observatory on the Empire State Building 102 stories above the street.

Leisure time is the finished product of greater efficiency.

Uncle Sam Comes Out All Right on \$64,000 Question

The radio-TV program, "The \$64,000 Question," has received an enormous amount of publicity. And here's a fact that most people may have overlooked—even though a contestant answers all the tough questions, right to the end, he can't possibly win \$64,000. He'll get a perfectly good check for that amount, of course. But—assuming he is a single man earning \$4,000 a year—the check

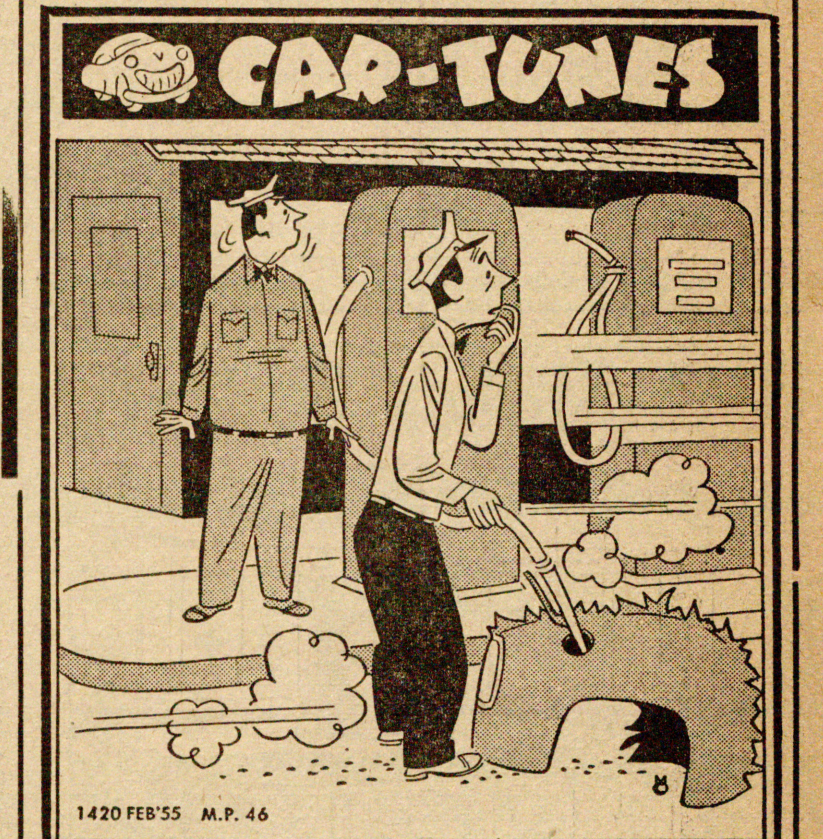

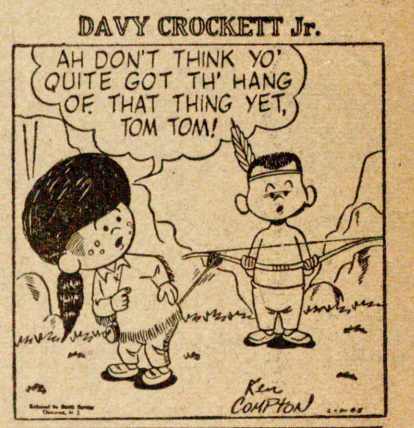

would have to total \$448,711 before he'd have \$64,000 to keep for himself, free and clear.

Why? The answer is: The federal income tax. It goes up so far and so fast that it becomes virtually confiscatory in upper brackets. A man who does take the long chances and wins the \$64,000, actually gets to keep about \$25,000—well under half.

Sows and gilts to be used for breeding stock in areas where crissipelas has been a problem should be vaccinated for the disease before breeding time whether or not they have been vaccinated before.

Wide feet are said to be a sign of efficiency and intelligence.

"It's the sad truth that too often the woman who's easy on the eyes is hard on the nerves."
—J. O. Jewett.

**News from the
State Capital**
Gov. William G. Stratton's 1956 Illinois primary highway construction program will total \$127,305,000—the largest amount ever spent for road and bridge building in a single year since the state began to make hard roads.
As of Nov. 15, road work completed this year amounted to \$36,000,000. This figure is expected to be considerably higher by Dec. 31.
These statistics, a review of highway projects completed during the year and an outline of highway plans for 1956 were presented by Governor Stratton as he addressed last week's Springfield convention of the Associated General Contractors of Illinois.
The governor's 1956 program will include the construction of 650 miles of highway; the building of 89 new bridges and widening 64 others; and the conversion of 59 miles of U. S. Route 66 into a four lane divided expressway, which will complete modernization of this arterial highway all the way from Chicago to St. Louis, a distance of 290 miles.
Two additional lanes of pavement on U. S. Route 66 between Staunton and Worden, a distance of eight miles brings to 155 miles the modernization of Route 66 accomplished since Gov. William G. Stratton took office in 1953.
The remaining 59 miles of Route 66 to be converted into a four lane highway between Chicago and St. Louis is scheduled to be completed by September of next year.
Gov. Stratton has invited the public to come and look over the new state office building in Springfield.
Free coffee and doughnuts will be served the public in the basement cafeteria, which will open for business the following morning.
The general assembly in 1953 appropriated \$12,500,000 to construct the office building, but the work has been done for \$11,500,000. The million dollars saved will go back into the

state's general fund. Use of this new building will mean a saving of approximately \$400,000 annually in rent which has been paid for various quarters in Springfield heretofore occupied by state agencies.

George W. Harper, of Champaign, an associate professor of mechanical engineering at the University of Illinois, has been appointed by Gov. Stratton as superintendent of the new division of safety inspection and education in the State Department of Labor. The appointment will be effective Jan. 1.

The purpose of the division, created by the 69th General Assembly, is to promote safety practices in industrial and commercial plants throughout Illinois.

Fifty seven men have been invited to attend a four week session of the Illinois state police training academy at Springfield, which began Nov. 28. Upon successful completion of the course they will get badges and uniforms and join the state highway police force.

A group of 30 graduates of the academy reported for state police duty Nov. 28.

While attending the academy, a recruit receives room and board and \$145 a month. Starting salary for a state highway policeman is \$325 a month.

Subsequent academy sessions are to be held until enough personnel has been trained to raise the strength of the state highway police from 500 to 600 men, in compliance with legislation sponsored by Gov. Stratton.

Send Out Reminders To Spur Sales Of Christmas Seals

A total of 25,000 reminder cards have been mailed by the Will County Tuberculosis association to persons who have not responded to the Christmas seal letters, according to Harold J.

Schmitz, chairman. These reminder cards were prepared by the Future Nurses association of Lockport high school. Those in charge of the campaign would like to have it all cleared up by Christmas and if persons who have not yet answered the Christmas seal letters would each send in a dollar the quota would be met, it was said.

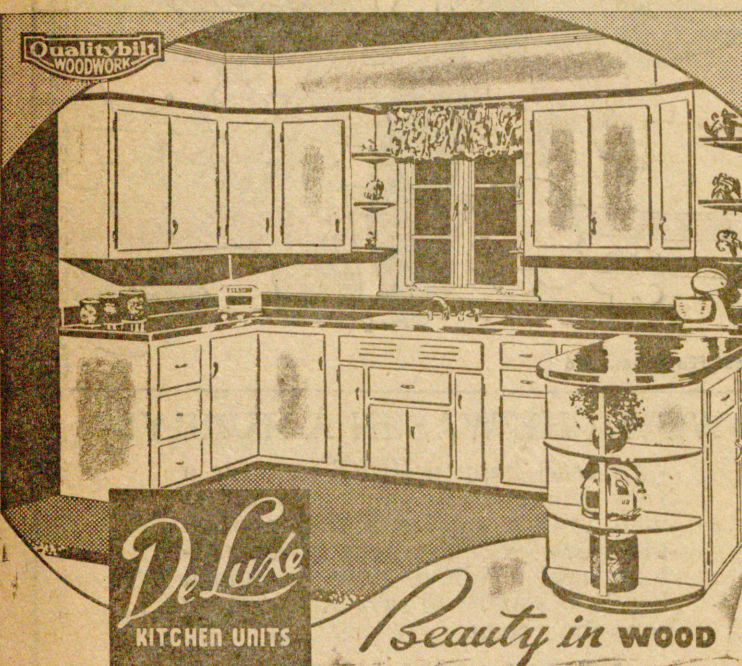

So far \$15,913.32 has been collected in the county which is about two thousand dollars less than the amount turned in at this time last year.

Figures show that \$354 has been turned in from Frankfort township, \$322 from New Lenox township, \$52 from Green Garden and \$132 from Homer. Residents of Manhattan township have contributed \$186. Lockport township has turned in \$1477.

Dr. Gordon L. Richards, president of the Will County Tuberculosis association, urges the public to support the seal campaign generously. Money derived thru the sale of seals is used to finance research to combat TB. At least a fourth of the American people have been infected with the germs that cause tuberculosis, Dr. Richards said. Most of the people who have TB germs in their systems will never break down with the disease," Dr. Richards added. "If there is no sharp decline in the standard of living and if the present level of the TB control program by both official and voluntary agencies is maintained."

He pointed out that TB will be a major public health problem until this reservoir of infection is eliminated.

Mokena Dog Joins Army; Is Sent to Base in Colorado

"Silver", a big female German shepherd formerly owned by Mr. and Mrs. Robert L. Elkins, 175th St. and Wolf rd., is in the army now.

The Elkins bought "Silver" when she was three months old. She is now 17 months and at that age is expected to be a good student, so to speak, in learning the various phases of her job.

"Silver" is to be trained by the army to walk post with sentinels.

She is pedigreed, and a stringent examination by an army veterinarian disclosed that she was in excellent physical condition. The army examination for dogs is rigid. Their teeth, bone structure, skin coat and ears are carefully examined. Even blood tests are made, according to Elkins.

The dog was sent to Fort Carson, Colorado, the Army dog training center, where she underwent trial tests for 10 days. These tests show if a dog is gun shy and also reveals their traits of character and temperament.

Mr. Elkins said "Silver" passed all the tests set up by the army.

"Silver's" disposition was good Mrs. Elkins said, but she was getting too big for a house and neighborhood dog.

The Chicago Motor club says the cleverest swindler of the week was the glib fellow in Oklahoma City who sold parking spaces at 50 cents per hour in the police parking lot.

A phantom traffic cop roamed the streets of Salisbury, Rhode Island, recently. A local police station was flooded with citizens waving tickets signed by the phantom officer. It seems a traffic policeman lost a book of tickets and the book's finder had great fun filling out the tickets and distributing them.

Judges have to listen to some flimsy excuses from prospective jurors who wish to be excused, but the Chicago Motor Club reports a very valid one. Recently, a Pontiac, Ill. man who was served a summons to appear on a jury in a drunk driving case nearly fainted the judge when he said, "I can't take the job, I'm the defendant."

The Chicago Motor club says the reddest face in the Midwest belongs to an Iowa traffic cop who tagged an illegally parked car for three violations before he realized it was his own.

Average price of Illinois land increased by \$98 an acre to an average of \$242 an acre between 1950 and 1954, according to the census of agriculture.

Good tools used properly along with some common sense will help to prevent shop accidents, says a University of Illinois farm safety specialist.

Zitter Brothers Rack Up Mat Wins to Pace L-W Victory March

By Don Lehmann
Charles Zitter must have been the happiest, proudest man in Lincoln Estates Thursday night when he watched the Lincoln-Way wrestling squad score a 33-25 triumph over Evergreen Park in their third victory. It was Kenny, Woody and Eddie Zitter, whose success in pinning opponents, enabled Lincoln-Way to win.

The Zitters were not the only ones to shine, however. Dave McGuire racked up his second straight triumph in this young season by pinning Matha in the second period.

Jim Lee, up from the frosh-soph ranks, looked impressive even in defeat. He is one of the fastest and for his size strongest member of the squad.

John Weber got on the victory trail by pinning Levy in 50 seconds of the first period.

Ed Martie and Woody Woodward looked very good in challenging up victories. Martie's pin was his second of the season. Woody, wrestling in his first match, had little trouble beat-

Braves Nose Out Argo Five 46-42 for First Win

Bouncing back from two straight defeats, the Bremen high cagers dropped Argo of the South Suburban league, 46-42, at Argo Saturday night, Dec. 3.

After building up a 26-23 lead at halftime, the Braves lost the range in the third quarter and trailed 33-32 at the end of the period.

In the final frame the Braves rallied to outscore their opponents 14-9 and chalked up their initial victory of the 1955-56 season by a margin of four points.

Bill Lindsay led the winners' attack with 19 markers, while teammate Lester Borms contributed 13 tallies on three field goals and seven charity tosses.

In a Southwest Suburban conference tilt, the Carl Sandburg Eagles dealt the Braves a 67-48 loss on the Bremen high court Friday, Dec. 2.

A cement plant in Pennsylvania finds its own operations a ready source of steam for power generation. Waste heat from coal-fired cement kilns produces sufficient steam to generate 75 percent of the electricity used in the plant.

Ordinarily, water drips are caused by worn washers which are inexpensive to replace and easy to repair. Toilets with constantly running water may be more difficult to fix but far more wasteful.

ing Thornton. He was on top throughout the match to win rather easily 7-2.

Also there were four exhibition matches since Evergreen does not have enough boys for a frosh-soph team. Virgil Hammond and Ron Van Buskirk pinned their opponents in the first period.

SUMMARY
95 K. Zitter (L) pinned Rizzo (E)
103 W. Zitter (L) pinned Kor-thase (E)
112 E. Zitter (L) pinned Davids (E)

attack with 19 markers, while teammate Lester Borms contributed 13 tallies on three field goals and seven charity tosses.

In a Southwest Suburban conference tilt, the Carl Sandburg Eagles dealt the Braves a 67-48 loss on the Bremen high court Friday, Dec. 2.

A cement plant in Pennsylvania finds its own operations a ready source of steam for power generation. Waste heat from coal-fired cement kilns produces sufficient steam to generate 75 percent of the electricity used in the plant.

Ordinarily, water drips are caused by worn washers which are inexpensive to replace and easy to repair. Toilets with constantly running water may be more difficult to fix but far more wasteful.

At the end of the third canto Sandburg had pulled up to within three points of the visitors, the score being 34 at 31. Blue Island rallied then and proceeded to pile up points. Midway in the fourth quarter the Eagles overcame a 10-point deficit only to have the Cardinals go out in front again by seven point.

Again the Eagles rallied and with a minute and four seconds left on the clock Gee drove in for a lay-up that knotted the score at 48 all. Gee had been called for a foul after the basket and Blue Island got two free throws. The first was good to make the score 49 to 48. The second shot rolled around and off the rim only to be tipped in for two points.

Less than minute remained and it was a hectic period of time but neither team was able to score again so the game ended with Blue Island on top, 51 to 48.

Tomorrow night the Eagles will be host of Rich in the second league tilt of the season. Rich, last year's conference title winner who went on to compete in the state tourney at Urbana-Champaign, has most of last year's squad back this season.

Should Sandburg beat Rich observers believe the Eagles will have taken a long step toward the title. On Saturday night Sandburg will be host to Plainfield.

The box scores:

BLUE ISLAND
Jonkins 2 1
Kissel 6 3
Klein 7 3
Labahn 2 4
Harmeyer 2 2

SANDBURG
Weingartner 11 3
Andersen 2 0
Gee 4 11
Marten 0 0

"When a man and woman marry, they become one. The trouble starts when they try to decide which one!"—Mary McCoy.

Knights Defeat Evergreen Cagers 55-37

Eagles Defeat Bremen; Lose to Blue Island

The Sandburg Eagle basketball squad stormed to a 67 to 48 triumph over the Bremen Braves in a game played at Bremen last Friday night. A red hot first half, in which Sandburg was paced by Kaehr and Andersen, held a 40-24 lead, helped the Eagles to their second straight win in the young season. Kaehr and Andersen hit 13 and 10 points respectively most of them in the first half as the Eagles scored at ease against the Bremen Braves before a near capacity house.

The entire second half was evenly played with Sandburg maintaining more than a ten point lead and never being in danger of losing it. Bremen's star, Lindsay also scoring 23 points on 11 field goals and 1 free throw, was held mainly in check as he took most of the attempts from the field for Bremen and also blew several easy layups as Sandburg completely dominated the game from beginning to end.

Weingartner was high point man for Sandburg as he hit for 12 goals from the field and added one free throw for 25 points. Gee was particularly outstanding on the boards rebounding and passed off several times for easy baskets. In the third quarter Gee was involved in a mid court collision that opened a cut over his right eye but he continued in the game after first aid. This victory, first game in the conference, leaves Sandburg with a 1-0 record in early conference play.

SANDBURG
Weingartner 12 1
Andersen 5 9
Kaehr 4 5
Marten 6 1
Martin 3 0

BREMEN
Borms 2 4
Perry 1 0
Graham 3 5
McMillan 1 0
Jeffers 0 2
Lindsay 11 1

SANDBURG
16 24 10 17-67
Bremen 11 13 16 8-48

Sandburg Wrestlers Take L-W in Twin Bill Conference Match

The wrestling teams at Lincoln-Way high, varsity and frosh-soph, lost their opening conference matches last week to Sandburg. The varsity wound up on the short end of a 36-20 count, while the frosh-soph encounter ended with the visitors from the Orland-Palos area on top of a 38-20 score.

The first win registered by the Lincoln-Way Knights came in the fourth match, a 120-pound event which Bill Noble staged a quickie. Noble still had several sets of muscles to uncoil when he had his man pinned. The match was over in 45 seconds, which had all the ear marks of becoming a record in the 133-pounders went to work with Rich Kovar representing Lincoln-Way.

No Time Wasted
Apparently spurred on by Noble's lightning finish, Kovar pounced on his adversary as if pet propelled and when the referee gave Rich the victory pat, just 30 seconds had elapsed. Any of the lads who may be of a mind to shave this mark are advised that they have to start in the ring and that the use of a motor-cycle is barred. Dave McGuire of the home team also made a quick finish of his man but did not show the speed of Noble or Kovar.

Ed Martie was the other Knight to win and he too appeared to be of the opinion that time was of the essence. He dusted off his opponent in 37 seconds. Apparently hurry paid off at that, because those that smothered their opposition in seconds were the only Knights to win.

Eager for Re-Match
Woody Zitter and John Weber each put on an excellent match. Zitter and Phersdorf were scoreless in the first period. Phersdorf scored 3 in the second, but late in the third period Woody took control and appeared headed for a pin. But a quick reversal by Phersdorf with 8 seconds remaining gave him 2 more points and the decision.

John Weber and Johannes will be laying for each other February 6 when the schools meet again. Their contest was a hard fought battle ending at 10-6 in favor of Johannes. Big Joe Buckland, one of the few freshmen on the varsity, put up a good struggle against an experienced opponent. He appears to have quite a promising future in wrestling.

Varsity Summary:
95 Janulis (S) pinned Hunt (L)
103 Phersdorf (S) decisioned W. Zitter (L), 5-2
120 Noble (L) pinned E. Zitter (L), 127 Semetis (S) pinned Thomas (L), 133 Kovar (L) pinned Siemen (S), 138 McGuire (L) pinned Zink (S), 145 Blaha (S) pinned Buckland (L), 154 Boore (S) pinned Knierem (L), 165 Johannes (S) decisioned Weber (L), 10-6
175 Martie (L) pinned Wills (S), Hvy. Dumney (S) pinned Hauck (L).

Frosh-Soph
In the freshman-sophomore. Ken Zitter lost a tough 4-0 decision in the first go. A few moments later Terry Marshall started off the match by getting two points for a take-down. He was in control the whole first period, but in the second period disaster struck in the form of Semetis. Jim Lee made up for Terry by pinning Sipple.

Immediately after Lee, Virgil Hammond went out to the mat and pinned Williams. In the 145 lb. class, Ron "Buggy" Van Buskirk had almost pinned Gorman when the bell rang ending the period. Gorman, tho, took a new lease on life and pinned Buggy in the second period.

Lincoln-Way's two "big guys" on the frosh-soph, Bill Smith and Rudy Guzik, ended the evening on a happy note by pinning their opponents.

Frosh-Soph Summary:
95 Schatz (S) decisioned K. Zitter (L), 103 forfeit to Sandburg, 112 Semetis (S) pinned Mankowski (L), 127 Lee (L) pinned Sipple (L), 133 V. Hammond (L) pinned Williams (S), 138 Kanak (S) pinned C. Hammond (L), 145 Gorman (S) pinned Van Buskirk (L), 154 Nevin (S) pinned Knierem (L), 165 Brozovich (S) pinned Phifer (L), 175 Guzik (L) pinned Barton (S), Hvy. Smith (L) pinned Hide (S).

Victory Puts End to Long String of Losses -- Meet Bremen Next

Bremen Downs Sandburg Mat Team 34 to 21

Scoring five pins in 12 matches the Bremen high grapplers overpowered the Carl Sandburg Eagles, 34-21, on the Orland mats Friday, Dec. 2.

In his first high school tussle, Bremen freshman Oda Drake managed to draw with his opponent in the 95 lb. class.

Veteran Jack Riuter, 120 lbs., lived up to pre-season predictions by pinning Jim Schwartz early in the second period.

After a quick takedown, Norm Scharlau stunned his 133 lb. foe and pinned him in less than a minute.

Leading 4-0 in a 175 lb. encounter, Joe O'Brien nailed Mike Jaklich to the mats for a second period pin.

George Avellano, 138 pounder, and Dave Waite, 127 lbs., grappled to draws with their opponents, while Earl Willey scored a 9-2 decision over Paul Boire.

With a commanding 13-0 lead, Mack Jerkatis finally forced Herb Gorman, 145 lbs., into submission in the final period. Bob Fiddler at 165 lbs. chalked up a pin over Jon Johannes midway thru the first stanza.

The increasing efficiency of the electric utility industry in coal utilization is amply demonstrated by records of the Philadelphia Electric Company. The utility in 1889 generated 460 kilowatt hours from a ton of coal and in 1900 produced 1,050 kilowatt hours from a single ton. By 1922 output per ton of coal had risen to 2100 kilowatt hours and by 1948 to 2600 kilowatt hours. Present equipment produces 2900 kilowatt hours from one ton of coal and new equipment soon to be built will generate 3450 kilowatt hours per ton.

"Love your enemies. It'll sure make them feel silly!"—Craig (Colo.) Empire-Courier.

By Denny Wheeler
A small but very noisy group of deliriously happy Lincoln-Way students cheered the Knights on to their first basketball victory in two years at Evergreen Park Friday night. The contingent staged a minor riot as the Lincoln-Way squad raced off the floor victorious by a score of 55-37.

It was a close, hard-fought contest all the way with Lincoln-Way's superior height and experience finally telling the story. The Knights got off to a very bad start and before much time had expired, the Mustangs of Evergreen Park had run up a 12-7 margin. However, the Knights buckled down then and quickly scored six points and when the horn sounded the end of the first period, Lincoln-Way was on top by a scant 13-2.

They didn't improve their advantage much in the second period and at the half led only 23-20.

But after intermission Lincoln-Way began to control the back boards and increased their margin steadily. The quarter was highlighted by fine rebounding by Danny Wondrasek and some nifty jump shooting by Red Wade. When the period ended the Knights held a fairly comfortable lead of 38-29.

The Lincoln-Way team then turned the contest into a rout as they assaulted the wickets with 17 points while Evergreen was able to trickle in only eight points. Final score: Lincoln-Way 55; Evergreen Park 37.

Danny Wondrasek was high point man for the night with 17 tallies, eight buckets and one free throw. More impressive, tho, is the amazing number of rebounds he pulled down—23. Mark Schellenberg scored 13 points and Red Wade 12.

So with a win under their belts, the Knights look forward to Bremen and Mooseheart this week end. A victory over Bremen at Lincoln-Way would assure the Knights of the first place berth they now share with Sandburg and Reavis.

Mokena Quints Win Twin Bill from New Lenox

The Mokena grade school began the DesPlaines valley conference basketball season with a pair of convincing victories over arch rival, New Lenox. The lights won 27 to 11, while the heavies triumphed 42 to 16.

New Lenox led only once in the first game when the first quarter ended 4 to 2 in their favor. Mokena took charge of the game in the second quarter as Ford scored 7 points and Schuldt and Kruzich each added a basket. Mokena further dominated play in the second half as they held New Lenox to only 5 points, while Schuldt was adding 4 baskets and Kruzich 3. Evidence of the victors' superiority is seen in the fact that the losers scored only 3 baskets the whole game.

The Heavies raced to a 17 to 2 lead at the end of the first period to put the game beyond the reach of New Lenox. Liston led the early attack with 3 baskets, but he was ably assisted by Yunker and Seavertson who each scored 2. Mokena's attack slowed in the second quarter as they only scored 6 points, but the half ended with Mokena on top 23 to 6. Haehnlein's 7 points paced the second half as Mokena consistently increased their lead. The speed and teamwork was excellent considering that this was the first game of the season. The next home game is Friday, Dec. 9 at 7:30 against a non-conference opponent, Orland Park.

A three act comedy, "Papa Is All", will be presented in February, it was decided at the recent meeting of the New Lenox Methodist Dramatic club held in the Ronald Crisman home. Dorothy Sheeler outlined several plays after which the selection was made. The play, written by Patterson Greene, depicts a Pennsylvania dutch family and its struggle to adhere to Papa's demands and the Mennonite religious practices. Tryouts for the play will be at the Dec. 16th meeting in the Methodist church. Persons interested in appearing in the play may obtain a copy of the book from Charles Kerr at the Novelty Shop, or may contact the director, Lois Loebe, New Lenox 5661.

The third annual Community Christmas Sing will be held at 7:30 p. m. Dec. 22 on the Haven school. Group singing of carols and an appropriate program have been planned. There will be no admission charge.

Mrs. Ruth Gotschel will entertain her pinocle club tonight, Dec. 8.

Mrs. Lois Marshall entertained her pinocle club Wednesday, with prizes being awarded to Mrs. Ann Krog, Mrs. Lillian Walsh, Mrs. Marge Carnahan, and Mrs. Gertrude Wennlund. Mrs. Evelyn Fenton will be the next hostess.

Mr. and Mrs. Merrill Crouse and family have returned from Bogota, Ill., where they attended funeral services for his father, Trace O. Crouse.

Mrs. Helen Novak will open her home Friday night, Dec. 9 to the meeting and annual Christmas party of the VFW auxiliary. There will be a social evening with a gift exchange. The doll and wardrobe will be awarded at this meeting. Mrs. Ruth McCleure will be the assisting hostess.

The Royal Neighbors will meet Wednesday, Dec. 14 in the Lions Den at 12 o'clock for their Christmas party and turkey dinner. All members are invited to attend and bring their own table service and a 50 cent gift exchange.

The Woman's Guild meeting of the Grace Episcopal church will hold their Christmas party this evening in the church.

Members of the Second Child Study club will entertain their children at a Christmas party Dec. 17 in the home of Mrs. Guy Wilsterman.

Members of the Trinity Lutheran church Womens League met Nov. 29 for a dessert-coffee in the church. Hostesses were Mrs. Audrey Braun, and Mrs. Alice Termunde. Rev. Leonard Reinke gave an interesting talk on Mis-

sion fund drive. Nomination and election of officers was held as follows: Spiritual leader, Rev. Reinke; president, Mrs. Evelyn Bowman; vice president, and program chairman, Mrs. Grace Mitchell; secretary, Mrs. Jane Anderson; treasurer, Mrs. Florence Haas; membership, Mrs. Donna Kruck, and Mrs. Joan Sniess; publicity, Mrs. Zerilda Olsen; sunshine committee, Mrs. Doris Reinke and Mrs. Leona Bormet; christian knowledge, Mrs. Gertrude Jarchow; kitchen, Mrs. Margene Zarse and Mrs. Muriel Peterson; cards, Mrs. Alice Termunde, Mrs. Elsie Padzuikas, and Mrs. Thelma Benck.

The New Lenox Garden club met Dec. 1 with Mrs. Gladys Gustat. Dessert-coffee was served by Mrs. Reiter, Mrs. Lloyd Berlin and Mrs. Clarence Wise.

Mrs. Leo Mursky who told about Christmas in Ukrania, showed Christmas cards, and ornaments that are used there. Mrs. Frank Wienke made a Christmas tree like those used in Sweden. It was announced that on Dec. 15 the club will meet in the Lions Den for a not luck dinner and will make wreaths and ewags for business places in New Lenox, orphans homes and old peoples homes.

The next regular meeting will be held with Mrs. A. D. Miller, when Mrs. Robert Brown will give a book report. Co-hostesses will be Mrs. George Close, and Mrs. Michael Orev, Jr., members are asked to bring guests.

Members of the Neighborhood Girl Scouts Assn. will meet this afternoon, Dec. 8 in the Methodist church dining room for their regular meeting. Mrs. Arthur Rowswell and Mrs. Alcott Peterson, representing Scout troop 104 will be the hostesses.

Mrs. John Francis, Neighborhood chairman of the group will have charge of the business meeting.

Mr. and Mrs. Harlow Jensen and Mr. and Mrs. Walter Cuglar Jr., spent Sunday in Chicago. They saw Cinerama Holiday, and enjoyed a dinner afterward, in celebration of their 12th wedding anniversary.

The New Lenox grade school PTA will hold their annual Christmas meeting Tuesday night, Dec. 13 in the Haven school. The sixth grade room mothers will be hostesses, and the sixth grade pupils will present the program. The Methodist church choir will render a musical program.

Mr. and Mrs. Harry Hodges, Sr. moved from Manhattan into their newly purchased home in Lincoln Manor, last Tuesday.

An impressive Christmas program was presented at the meeting of the Evening circle in the Methodist church Nov. 29. Mrs. Robert Brown read the sermon "Let's Keep Christmas" by Peter Marshall. Mrs. James Hyndman of Gary, Ind., interspersed the sermon with appropriate Christmas music and also sang Silent Night. Mrs. Leonard Warning provided the organ accompaniment as the group sang Christmas carols. Prior to the business session Mrs. Robert Park gave the devotions based on a 1913 Christmas edition of a leading magazine. Mrs. J. P. Kissel displayed attractive gift wrapped packages, and demonstrated the procedure of wrapping a gift and the ways in which various bows and trimmings are made. Mrs. Lawrence Carlson conducted the auction which will be held at each meeting. Mrs. Gerald Johnson, program chairman announced that a Christmas party with a 10 cent gift exchange will be held at the Dec. 27 meeting. Hostesses were Mrs. Louis Tvorog, Mrs. Arthur Feil, Mrs. Charles Elliott and Mrs. John Bell. A seasonal arrangement centered the refreshment table. Mrs. Eula Merritt and Mrs. George Burrow were guests of the club.

Harry Hodges returned last week from Japan where he had been stationed with the U. S. Navy. After spending this week with his parents and friends he and his wife, the former Judy Novak, will leave for his station at San Diego, Calif., where they will reside until his discharge in July.

The Home Bureau will be entertained at a Christmas party Dec. 16 by Mrs. Clarence Wise with Mrs. Ben Martin and Mrs. Max Greenly assisting. The Home Advisor, Mrs. Ruth Mozzi will present the lesson on "Becoming Fabric Designs". There will be a gift exchange.

Mr. and Mrs. Roy Dowle and family entertained at a family gathering and dinner Sunday, honoring his sister, Lt. and Mrs. Don Hamilton and daughters of Deeville, Texas, who have been guests in their home. Other guests were Mr. and Mrs. Geo. Dowle, his parents of Chicago, Mr. and Mrs. Leonard Dowle of Glen Ellen.

Mrs. Christ M. Kruspe entertained at a pleasant dinner Saturday night Dec. 3 honoring the 66th birthday of her husband. Guests were William Kruspe, Mr. and Mrs. Earl Moore, Mr. and Mrs. George Estand, Ray and Douglas Estand all of Orland Park.

Members of the New Lenox Homemakers will invite their husbands to their annual Christmas party in the Haven school auditorium Dec. 15 at 8 p. m. Secret Pals will be revealed. Besides the husbands of the members, PTA members are invited to attend, and those attending are asked to bring a 50 cent gift for the grab bag.

Pupils of the Schmulh school will give their annual Christmas program in the school Thursday evening Dec. 22. Those attending are asked to bring Christmas cookies and pop for refresh-

ments.

Girl Scout troop 90 met Thursday with leader Mrs. O. V. Rowe. Prudy Rowe was the hostess. The girls are preparing their Christmas gifts. They also completed two requirements on the first aid badge. Eleanor Pester will be hostess next week. Mrs. Marcela Hawlings returned Monday to her home in Tacoma, Wash., after spending a week with Mr. and Mrs. Roy Fitzer and family.

Tax Group Gives

Stratton Credit

on Civil Service

The Stratton administration was praised today for its civil service record by the Taxpayers' Federation of Illinois, which also expressed the hope that appointments by Gov. Stratton called for in the new personnel code would soon be forthcoming.

"Public officials too seldom are given credit when credit is due," George Mahin, Federation executive secretary, stated. "The record shows that Gov. Stratton has earned credit and public approval for his attitude toward civil service."

"Because of the interest of the Taxpayers' Federation in personnel administration, the Federation staff has kept a close

watch on activities of the state civil service commission since 1951," Mahin continued. "During that time, the findings of the Federation staff have all been to the credit of the commission. Despite antiquated laws which enmesh the commission and its personnel procedures in red tape, new records have been set in civil service coverage year after year. This could not have been accomplished if the governor had been antagonistic to civil service. In view of the record achieved under the antiquated civil service laws, the new streamlined personnel code offers Gov. Stratton a tremendous opportunity to blaze new trails in personnel administration that every state in the nation will have to follow."

The new personnel code, of which House Speaker Warren L. Wood was principal sponsor, calls for appointment of a 9-member advisory board and a director of a new department of personnel. The council on government personnel, a coordinating

agency for civic organizations interested in the civil service field, headed by Dr. Edward M. Martin of the Union League club, has recommended that the governor appoint the advisory board first and request that Board then to recommend candidates best qualified for the post of director.

"Time's a'wastin'," Mahin concluded. "There's a tremendous amount of work that has to be accomplished by the new director and advisory board before the changeover date, July 1, 1957 when the new personnel code replaces the old civil service laws. Based on his record to date, there is every reason to expect that the public will not be disappointed in Gov. Stratton's appointments to the advisory board and to the new post of director of personnel which will tax the ability of the most outstanding personnel expert that can be obtained. Because time is running out, it is hoped that these appointments will be forthcoming soon."

"Ohhh! What a wonderful Christmas gift"

The Lincoln Log

N.H.S. Initiation
The Lincoln-Way chapter of the National Honor society will hold initiation ceremonies on Monday, December 5 at 7:30 p.m. At this time only seniors will be initiated. The new members to be inducted are: Larry Cullison, Rudolph Gutzik, Janice Johnson, James Staley and Diane Ulrich.

Selection to the N.H.S. is based on a scholastic average of B or better and an above average rating by the faculty in service, character, and leadership.

The other members who were elected as juniors last year are Diane Batson, James Cooper, Marilyn Cooper, Bill Heidrich, Janet Korsegaard, Judy Lane, Carl Larson, Lorne Niemann, Barbara Sayers, Yvonne Piepenbrink, and Paul Schuh.

F.B.L.A.

The Thursday meeting of the Future Business Leaders was devoted largely to a discussion of Christmas plans. The representative from merchandising firm who had been scheduled to address the club was unable to be on hand.

Money for Christmas cards sold by the F.B.L.A. members was turned in. Plans for a Christmas basket which will be given to a needy family in the community were discussed. Each member of the club is to contribute something for the basket. It may be food, clothing, household needs (soap etc.) or any article which might be useful for such a family.

The Christmas party on Dec. 15 will be a gift exchange, each gift limited to 50 cents. Refreshments will be served.

Plans for attending the state convention at Springfield next March will be made definite later. Right now about 20 members have indicated an interest in attending. The approximate cost per person last year was \$18. This is an excellent opportunity to meet many people from other sections.

Number Lover's Corner

Here are the answers from last week's problem. Hope you had fun!

1. It took the cat 14 days. On the 13th day she was up fifty-two feet. On the 14th day she vaulted the remaining 11 feet.

2. For 50 years. Each made a tour of the world yearly, one other eastward.

Now for this week's puzzlers.

1. What would 10 be if 4 were 6?

2. One half I caught, less two fell back.

One sixth plus six are in the sack.

One half the remainder less three I fried.

One third less five a turtle tried.

One half in sack, though very few.

If you will cook, I'll lunch with you.

How many fish did catch?

3. If one third of six apples sell for three cents what will one fourth of thirty apples sell for?

—

Girls Athletic Association

By Ruth Heimerdinger

The G.A.A. which meets during the eighth period every day is the second largest organization in school with an enrollment of 113 girls. Miss Barbara Sprayberry is the sponsor and general overseer of all girls' activities in G.A.A. and Leader's Club which is affiliated with G.A.A. The latter is composed of junior and senior girls who are interested in gaining leadership experience.

The officers of G.A.A. are Marilyn Boleman, president; Pat Boleman, vice president; Marna Harnack, secretary and Beverly Mundt, treasurer. The girls are divided into two different groups, the Monday and Wednesday contingent (62 in number) and the Tuesday and Thursday group (51 in number) with Fridays reserved for a business meeting attended by all the girls.

The activities which are being taken up now are basketball and square dancing. The method of deciding who should be doing what was simply a case of first come first served. When the square dance quota was filled, anyone else had to go to basketball. Basketball was not just square dance leftovers, as a good many girls made it their first choice. There are usually about three squares going on at one time and sometimes a fourth can squeeze in. Marilyn Cooper and Sandra Eden do the calling with Marilyn doing it for Monday and Wednesday and Sandra for the Tuesday-Thursday crowd.

In basketball there are three teams on Tuesday and Thursday and the number of the Leader's club act as referees.

Future plans for G.A.A. activities include bowling and volleyball. The winter sports head,

Jo Wennlund, and her assistant, Diane Sorenson, work out the activities the G.A.A. will have during the winter months. Dec. 20 is the date set for the G.A.A. Christmas party to be held in the cafeteria during the eighth period. The co-chairmen, Karen Brockman and Ruth Heimerdinger, have been calling meetings of the different committees that are necessary to put over a party. A program has been planned and refreshments are going to be served.

The future looks very busy for the G.A.A. In February and March there will be a basketball and bowling tournament. Plans are under way for a play day in the spring for eighth graders. All eighth grade girls from the surrounding schools will be invited to come to the school so that they may be oriented to the G.A.A. and its activities.

Coming Events

Dec. 8—Common Learnings Field Trip
Dec. 9—Basketball, Bremen here
Dec. 10—Basketball, Moosehart there

Dec. 14—Co-Rec night
Dec. 15—Wrestling, Rich here, 4 p.m.
Dec. 16—Basketball Rich, here

Attend Citizenship Workshop

At U. of Chicago
Lincoln-Way high school was well represented on Dec. 1 at the University of Chicago workshop on citizenship education.

Two teachers, Jonas Lashmet and George Burrow, and nine students worked on laboratory practices in local citizenship. The student who attended were: Dennis Becker, Jo Ann Hansen, Wayne Klasing, Ron Knakmuhs, Geraldine Knapezyk, Lorne Niemann, Charles Otto and Beata Wajda.

This is only one step of the total program of improving citizenship education in the nation's schools. "C.E.P." as it is called, had its beginning at Columbia university when Dwight Eisenhower was its president. At the present time C.E.P. is backed by the Carnegie Foundation and the Illinois curriculum program.

This workshop provided an opportunity for schools in this section of the state to meet and share information about proposed citizenship practices and past practices which have worked in their respective schools. Each school selected several practices to work on this workshop.

Earl Dieken, curriculum director of Lincoln-Way met with the workshop group in acquainting them with the materials and methods used in citizenship education.

Student Council

At the student council meeting Nov. 29, Jim Warming reported on the constitution committee. The newly-formed freshman Science club and the Riding club have submitted constitutions to be accepted by the council. It was decided that these constitutions should be turned back to their respective clubs with the recommendation that the sections concerning meeting time be revised.

Bill Heidrich gave a report on the progress of the planning for the coming P.T.G. program. The question of observers from the freshman guidance groups was discussed. It was decided that an observer from each group be invited to attend the meetings.

Jim Cooper told of some sug-

State Records Now Show What Municipalities Do With Money

For the first time in Illinois, there is now available in one report and in one location useful and comparable information as to income and expenditures by municipalities throughout the state. Maurice Scott, attorney in charge of legal research for the Taxpayers' Federation of Illinois, pointed out today.

Almost completely lost sight of when it was presented during the tumultuous closing weeks of the legislative session, the "Summary of Municipal Finance," compiled by the Auditor of Public Accounts as required by legislation enacted in 1953, reports on 807 of the 1140 Illinois municipalities under 500,000 population, including 60 of the 72 cities with more than 10,000 population.

This first report was compiled from forms submitted by municipalities in response to written request. To insure closer to 100 per cent coverage in the next report, those not replying to the written requests will be followed up by field men on the staff of State Auditor Orville Hodge.

Details Given
Considerable detailed information

gestions about the Christmas dance being informal. It was decided that the decision shall stand as before with the dance informal but dressy.

A committee was set up to investigate possibilities of providing transportation to the out of town games.

tional material as to specific items such as the number of policemen and firemen, and collections from parking meters is included.

The report also discloses, Scott said, the falsity of the campaign against the Hodge-Downing tax rate limit laws. While tax rates are limited unless increased by referendum, increasing assessments have increased tax revenues. A glance at this report will show, for example, that in 1945, the year previous to the effective date of the 100 per cent assessment laws, Decatur received \$226,275 for its corporate fund compared to \$311,355 for the year 1953 under the tax rate limit laws; Springfield received \$345,664 in 1945 compared to \$447,315 in 1953; Rockford received \$382,392 in 1945 and \$555,125 in 1953; Joliet received \$176,862 in 1945 and \$400,452 in 1953.

The weakness in the new municipal reporting law, Scott concluded, is that there is no mandatory provision requiring all municipalities to submit a report, with teeth in it for enforcement.

says Geraldine Acker, University of Illinois foods specialist.

Marinating game meat in vinegar solution in your refrigerator for 72 hours or longer will tenderize tough meat. You can make this solution of one-fourth part vinegar, three-fourths part water, sugar and seasoning.

Since wild birds are often dry, it's good to wrap them in salt pork slices and bake them often with salad oil while roasting. Placing bacon strips on the breast has the same effect because the grease seeps into the meat and makes it more tender.

Steam from moist dressings makes meat more tender too. You might try a wild rice dressing—boiled wild rice seasoned with salt, pepper and chopped

onion. Or you could stuff the bird with a sliced apple or whole baste frequently to keep the skin or outer surface moist. For a crisp skin, baste often with two thin slices of fat salt pork and truss. Remove the apple or onion before serving. When roasting ducks, cover them with a greased cloth and keeps meat moist too.

Tomorrow's Car Will Look Much Like Today's

The car of tomorrow will look much like vehicles on the road today.

At least that is the conclusion you might draw from the prize-winning model car designed by a young Chicagoan for a national competition.

John A. Stein, 20, mechanical student at Illinois Institute of Technology designed and built the model, which has received both national and state honors in the Fisher Body Craftsman's guild model car competition. He received \$150 as first place award winner in the senior age division for Illinois. As third place national winner, he received \$2,000 scholarship at Illinois Tech.

Wide and Flat
Stein's car is a 16-inch scale model hard-top convertible. It is carved of wood and was judged for exterior body design only.

Strongly suggestive of current models is the hood and trunk treatment. Both the hood and trunk jut outward horizontally from off at any point.

The Illinois Tech student's design is simple and uncluttered. Contributing to the familiar look of the car is a wrap-around windshield. Decoration is minimal with the two-color paint job constituting the major part. A light color predominates with a darker tone accenting rear fenders.

Metal trim is clean and sleek. Stein used polished aluminum to fashion bumper, grill, handles, and other trim on his model. On a full scale car, the trim would be chromium-plated steel.

Must Be Practical
Judges examined the entries for quality of workmanship and design. The model car had to be practical from both production and safety aspects. For instance, it could not have winglike projections, forward suspended headlights, or any other "streamlined" devices that might be hazardous on the highway.

Faithful adherence to scale was another requirement of the young designers' models. In the 16-inch models, one inch represented one foot.

Originality and artistic merit were the chief considerations in judging the design. Stein said contestants indicated the category such as sedans, sports car, or convertible, for which their cars were designed. Stein has participated in Fisher Body Craftsman's guild model car competition for six years. He became interested in them as a high school student at Lane Tech. He lives with his parents at 1927 Hudson avenue, Chicago.

Some 26 million U. S. families snap 1 1/2-billion pictures annually with their own cameras.

One acre out of every ten planted in the U.S. is lost annually to insect damage.

Professor Says Mendel's Second Law is Wrong

A Southern Illinois university scientist says that hair and eye color combinations you inherit from your parents may be determined by a peculiar "sorting device" in human cells.

The findings of Dr. Carl C. Lindgren challenge one of the basic tenets of genetics, Mendel's second law, which has been accepted for more than a century. The law states that hereditary characteristics are assorted at random.

Conducting research with yeast cells, Lindgren analyzed the combinations of characters in the offspring of hybrid beasts and ran across cases of hereditary transmission that could never happen under existing rules of genetics.

The scientist explained that these exceptions, known as "reverse linkage," led him to conclude that selective segregation of hereditary characteristics may be the general rule.

For example, he said, a child of parents with different hair and eye coloring can have one of several combinations of hair and eye colors, but these may be determined by an unknown "sorting device" rather than by mere chance.

Lindgren said the experiments used previously to "prove" Mendel's second law have been carried on in such a way that they would conceal nonrandom assortment of genes if it did occur.

In human genetics the "sorting device" may never be detected, Lindgren reported, because of the small size of families. Evidence of the "sorting device" has been indicated in previous experiments with fruit flies which have 300 or more offspring.

Cook County Personal Property Assessment for 1955

This publication is the official notice to property owners, of the 1955 personal property assessments made in the town and district indicated.

RETURNS AND ESTIMATES
THE LAW PROVIDES THAT WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THEREON A PENALTY OF 50 PER CENT. ASSESSMENTS RAISED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW.

The amounts herein listed are

the assessed values of personal property as of April 1, 1955, as determined by the Assessor of Cook County.

The amount listed as the assessed value is not the tax. The tax may be determined by multiplying the assessed valuation after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values, or the establishing of the tax rates.

BASIS OF COMPLAINT ON ASSESSMENTS
Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building immediately after this notice.

INFORMATION ON ASSESSMENTS
Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building. Information will be furnished without cost.

FRANK KEENAN,
Assessor of Cook County

THIS *Christmas* —
make life easier for your Mrs.
with a new ELECTRIC range!

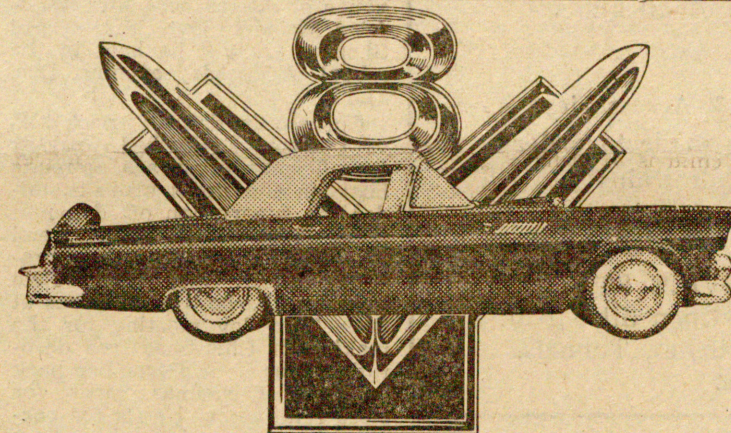

Among the exciting "new idea" features offered by the latest electric ranges are: automatically controlled ovens, rotisseries, deep-well cookers, super-fast surface units, smokeless broilers, and a host of others. As your electric appliance dealers will tell you—today *nothing* cooks faster than the modern electric range. They also keep your kitchen cooler, cleaner and more comfortable than any other way to cook. And this is one gift she wouldn't mind getting before December 25th!

A Gift For The Entire Family!
Better wiring (you get it when you install an electric range with our new Share-The-Cost Installation Plan) benefits your entire family—better TV picture, no more blown fuses, eliminates dimming lights, and makes your home worth more.

See your Electric Appliance Dealer

PUBLIC SERVICE COMPANY

Yes, you actually get The Thunderbird Y-8 engine in the '56 Ford

And this Thunderbird Y-8 is the standard eight in all Ford
Fairlane and Station Wagon models, at no extra cost!

Now you can have the power you've always dreamed about... and in a family-size Ford! When you order an eight-cylinder Ford Fairlane or Station Wagon model you get the big Thunderbird Y-8—the very same engine that made Ford's Thunderbird famous.

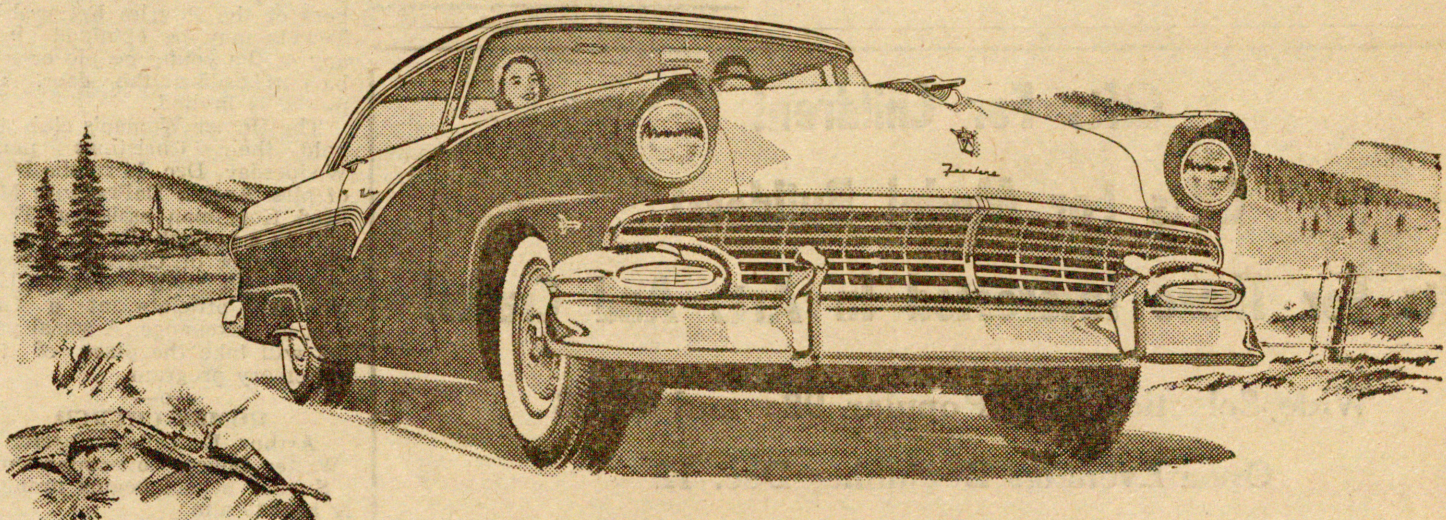

Thunderbird Y-8 power makes uphill

feel like downhill... distances disappear. You can pass in instants when instants count. And when you want swift, sure, take-off power you get it... and now!

You get a 4-barrel carburetor and dual exhausts. As in all Ford engines for '56, you get a 12-volt ignition system for fast all-weather starts... low-friction, high-

compression design for more miles from less gas. And, above all, the new Thunderbird eight is a Y-8 engine with deep-block build for quieter, smoother performance... longer engine life.

In addition to Thunderbird lightning, Ford offers you the Thunderbird look! You can see it's a blood brother of the fabulous Thunderbird! What's more, you get Ford's exclusive Lifeguard Design. Come in and Test Drive the fine car at half the fine-car price.

Try the Thunderbird Y-8 in the fine car at half the fine-car price!

Mrs. E. Mrosek
Orland 2841-R

Mr. and Mrs. Jos. Lehens, Barry, Doris and Miss Barbara Piazza made a trip to Great Lakes Sunday to see Robert Lehens. Bob is fine and says "Hello" to all his friends in Orland.
Mr. and Mrs. Harwood Stellwagen, Walter Bernard and Mr. and Mrs. Edward Mrosek attended a dinner at Surma's restaurant, Thursday evening, at which 4-H leaders were the honored guests. The dinner was given in recognition of the work they had done this past year.
There will be a meeting of the Orland Boy's 4-H club at Maue school, Monday evening, Dec. 12.

Birthdays which occurred in November and have not been mentioned were those of Carol Pelouin who was eight, Nov. 17, and Margaret Ann Reeves, who was two on the same date. A huge cake was the center of attraction at the party honoring Carol and her birthday. Guests were her uncle and family, Mr. and Mrs. Philip Pelouin, Jeffrey and Terry, of Blue Island and her uncle and family, Mr. and Mrs. Clifford Pelouin, Skip and Janice of Oak Lawn and Mr. and Mrs. Donald Kohl, Donny and Mary Lou. Guests the following evening were Mr. and Mrs. Ed. Schaaf of Harvey, Mr. and Mrs. Donald Kohl, Mr. and Mrs. Aaron Simrell, Mr. and Mrs. Henry Felsch.

The birthday of Margaret Ann Reeves was observed on several occasions by friends and relatives in the district and from neighboring towns. There was a birthday cake for each gathering and Margaret Ann received many lovely gifts.

Mr. and Mrs. Joseph Pelouin, Nancy, Carol and Linda attended a birthday party for their niece, Janice, daughter of the Clifford Pelouins in Oak Lawn recently.

The Maue PTA was well represented by its officers at the South Western area council meeting of district 19, held in Markham, Nov. 22. A talk on how to conduct PTA meetings was enjoyed. Those attending from here were, Mrs. Roy Walker, Mrs. Raymond Knieriem and Mrs. Norman Strassenburg.
A Maue PTA board meeting was held in the school Wednesday afternoon, Dec. 7. Plans for the Christmas party were made and it is announced that the plays which are under the supervision of the teachers, Mrs. Winifred Meinert and Miss Carol Shoemaker, will be held in the school, Wednesday evening, Dec. 21.

Cub scouts, den 5 of pack 218, who recently finished projects for Thanksgiving are already busy on Christmas projects, under the supervision of den mothers, Mrs. Roy Walker and Mrs. John Cruise and their presiding officer, den Chief Pete Lohman, the boys made plans at their Thursday meeting for the making of Christmas tree decorations, for their December pack meeting. Christmas cards for close relatives and gifts for parents. Another project which they share with other dens is that of cutting out pictures for hospitalized children to paste in scrap

books. Terry Donovan led the flag ceremony.

To den 5 goes the distinction of winning the first special flag to be awarded for parent attendance at pack 218 meetings since the pack was organized. The pack has a plaque which each month is given into the care of the den having the most parents present at the monthly meeting. The den that can keep this plaque for three consecutive months is awarded a special flag. The flag was presented at the Nov. 18 meeting and will be mounted with their den flag. The den had a wonderful time at this meeting at which they had Thanksgiving party. The Thanksgiving basket, to which each scout had contributed one item he thought a small child would like, was taken to the Guardian Angel orphanage in Joliet by cub master Ed. Schweiger.

Hearing tests were given Maue school children at the school last week by Mrs. Roy Walker and Mrs. Raymond Knieriem.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

Pupils of the Schmul school will give their Christmas program in the school Thursday evening Dec. 22. Those attending are asked to bring Christmas cookies and pop for refreshments.

Mrs. William Stoner who has been ill in her home for the past two weeks is up and about again. The Lincolnwood Hills Homeowners Civic association will meet Wednesday night, Dec. 14 at 7:30 in the Lincoln-Way high school. There will be a discussion on the new park site and plans will be made for a party for the latter part of January.

Mr. and Mrs. Erwin J. Uhrhammer and family attended the wedding of their niece, Gail Hilgert and Coy Kleavy at Morton Grove Saturday, Lynn, small daughter of the Uhrhammers, was flower girl at the wedding. Mr. and Mrs. Richard Pokorny had as their guests Sunday, Mr. and Mrs. Ray Thorsen of Chicago.

Mr. and Mrs. William Malloy and children spent Sunday with his parents, Mr. and Mrs. J. P. Malloy in Chicago.

Mr. and Mrs. William Hutchison and family attended a family gathering and party, this week, honoring the 78th birthday of her grandfather, E. D. Edwards in Joliet.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

Word has been received from Art Shepherd who is stationed in Germany with the armed forces. He has been promoted to Private First class and is attending a Diesel engine school in the Alps mountains.
The Homer-Lockport Home Bureau unit met in the home of Mrs. Frank Mollman, E. 17th st., Lockport, Nov. 30, with Mrs. Helen Radovich and Mrs. Mildred Bokan assisting the hostess. The guest speaker was Mrs. Edward Berenn.

Mr. and Mrs. Edmund P. Cobb of Bruce rd., are announcing the marriage of their son, Edwin, to Miss Francis Upton of Wouth, Norfolk, Va. The young people are expected to return to Homer to live late in January, when Edwin will receive his discharge from the Navy. The bride is employed at the Norfolk General hospital.

Bert E. Townsend of Peotone Twp., father of Frank Townsend, E. Seventh St., Homer, died Nov. 26 in St. Joseph's hospital. Funeral services were held Nov. 27.

The usual pleasant Christmas luncheon and party was held in the Ray Carlson home by the Wayside Workers' circle of King's Daughters, Dec. 1. In place of a gift exchange, the group gave an offering for the Indian work of the order. Mrs. Iola Storm and Miss Myra Reed gave a Bible reading and story about Mary, the mother of Jesus. There was organ music by Mrs. Carlson, followed by appropriate games arranged by Mrs. Henry Rodgers. Mrs. Ruth Brown of Joliet and Mrs. R. C. Storm were guests of the Circle.

Plans are being completed for the musicale to be presented at Homer church Saturday evening, Dec. 10, at 8 o'clock by members of the Pilgrim Fellowship. Tickets may be obtained from any of the young people or may be purchased at the door. The public is invited.

The Homer Woman's club will hold their Christmas party, Wednesday, Dec. 14 in the home of Mrs. Angelo DePra with Mrs. Fred Kopelman assisting. There will be a potluck dinner at noon, the singing of Christmas carols and a visit from Santa Claus who will officiate at a fifty cent gift exchange. A social period will take the place of the customary program.

DDT is not recommended for controlling lice in dairy cattle. Extension service dairy production record plans include the Dairy Herd Improvement associations, owner-sampler and weigh-a-day-amonth systems.

The best insurance against swine losses due to hog cholera is vaccination—

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 4902

A family gathering was held in the home of Mr. and Mrs. William Rahm Sunday with a five o'clock dinner in honor of their 40th wedding anniversary and their daughter Mr. and Mrs. Franklin Christiansen's 15th wedding anniversary.

A purse was presented to both couples. Guests were Rev. and Mrs. Erich Bizer, Scherril Rahm family, Roger Christiansen, the Arthur Marti's, the Homer Smiths, the Harold Smith family and the Oran Deist family all of Frankfort. Also Margaret and Robert Jarchow of Joliet, Mr. and Mrs. Jerry Hossbach, Mr. and Mrs. Vernon Englehardt and son, Evelyn Mundt and Geo. Barry all of Peotone, Mr. and Mrs. Emil Deist of Wilmington, Albert Jarchow, Mr. and Mrs. Arthur Benson, Mr. and Mrs. Arthur Bogacz and the Stanley Williams family all of Mokena. A social evening was enjoyed.

Mr. and Mrs. John Bauch entertained last Sunday evening at dinner in honor of his birthday anniversary. Guests were, Mr. and Mrs. Melvin Muehler, of Mokena; Mr. and Mrs. Vilas Peters and family, Steger and Mr. and Mrs. Irvin Rehberg and daughter Jane.

The WSCS of the Methodist church will hold their Christmas party and pot luck dinner in the church Wednesday Dec. 14. Mrs. William Bettenhausen and Mrs. Chester Steinberg will present a short program. Each member will contribute 50 cents as a gift to the Peck home. The group will give a basket of food to some needy family.

SUNNY ACRES

Mrs. Margaret Krueger
Mokena 4581

Mrs. Herb Neumayer, who moved to Rushville during the summer, was in to see some of her old friends and neighbors. She visited the Moore and Pandaw families. Mrs. Neumayer was the luncheon guest of Mrs. Ted Rydell and later visited with Mrs. Art Marshall, who served coffee and cake.

Sincerest sympathy is extended to Mrs. Joe Wajda and daughter by their friends and neighbors.
Mrs. John Ford, Mrs. Marvin Tischer and Mrs. Martin Krueger attended a bridal shower in Chicago Sunday. The shower was for Mrs. Ford and Mr. Krueger's

younger sister Shirley. Mrs. Ford ceive honorable mention for Laufer and Henkeview Farm, will be matron of honor at the cows which produced 75 pounds 1 each. wedding in January.

Brown Swiss Get Top Spot

According to the October report of Dairy Herd Improvement Association No. 1, Loren Williams, tester, the Brown Swiss herd of George Beutel & Sons, Mokena, led this group in October in average production per cow per day, with 36.5 pounds of milk and 1.64 pounds of fat.

Other high ranking herds last month, with breeds and average production per cow per day, were: Valy & Homerding, Frankfort, Holstein, 43.8 - 1.62; Glenwood School for Boys, Glenwood, Holstein, 34.1 - 1.26; Arthur G. Henke & Sons, Tinley Park, Brown Swiss, 28.0 - 1.21; Henkeview Farm, Tinley Park, Holstein, 29.8 - 1.12.

Valy & Homerding had three of the top producing individuals, first, second, and fifth, with productions of 237 - 126, 2006 - 108, and 2622 - 92, respectively last month.

Henkeview Farm had the third ranking cow which produced 1960 pounds of milk and 94 pounds of butterfat in October, and Raymond L. Termunde, Worth, had a Holstein which took fourth place with 2973 - 89. In addition, the following re-
